## EXPERIENCE

**Financial Analysis Developer**  
University Project

January 2025 - May 2026  
Richmond, VA

This role involved developing an innovative budget tracking system designed to support federal programs. Collaboration with peers provided a practical environment to apply theoretical concepts. Engaged in delivering thorough financial reports while ensuring compliance with DCAA and FAR guidelines.

- Developed a comprehensive budget tracking system for a simulated federal program, ensuring compliance with DCAA and FAR.
- Conducted financial analysis comparing actuals and forecasts, presenting findings to academic supervisors that led to actionable insights.
- Collaborated with peers to prepare detailed financial reports recognized as the 'Best Project' in class.
- Utilized Microsoft Excel to create models improving cost allocation accuracy.
- Presented compelling project outcomes formally and received commendations from faculty.
- Engaged in constructive peer reviews enhancing overall project execution.

**Accounting System Developer**  
Hackathon Project

September 2025  
Richmond, VA

This competitive environment challenged participants to develop a prototype accounting software tailored for small businesses. Emphasis on user needs facilitated productive collaboration and solutions.

- Designed a user-friendly prototype accounting software enabling efficient expense tracking and invoice generation.
- Implemented real-time feedback mechanisms during development phases to enhance product usability.
- Worked effectively in teams to troubleshoot and refine design interfaces making accessibility a priority.
- Presented innovative solutions to industry experts, gaining recognition for practicality and forward-thinking.

- Adapted user feedback pre-launch, improving system functionality significantly.
- Documented each phase meticulously resulting in a comprehensive report for stakeholders.

**Finance Intern**

June 2025 - August 2025

**Internship**

*Richmond, VA*

Gained real-world exposure by assisting in various financial operations relevant to state contracts. This immersive role built foundational knowledge necessary for future career pursuits.

- Assisted in organizing financial reports and compliance documentation for governmental contracts, supporting thorough audits.
- Engaged proactively with team members ensuring accurate cost reporting and allocations.
- Initiated efforts in QuickBooks for transaction entries and account reconciliations.
- Collaborated closely with senior accountants reviewing travel reports, aligning them with federal regulations.
- Learned essential interfacing skills with government payment systems, expanding operational competence.
- Refined documentation strategies, contributing to audit-readiness and compliance assurance.

**LEADERSHIP & AWARDS**

- Best Financial Project Award, VCU, 2026
- Dean's List, Virginia Commonwealth University, 2024-2026

**CERTIFICATIONS**

- Microsoft Excel Certification 📅 2026
- QuickBooks Certified User 📅 2026

**PROFESSIONAL AFFILIATIONS**

- Member, Accounting Society, VCU
- Volunteer, Financial Literacy Program for Students
