SUMMARY

Experienced butcher passionate about delivering top-quality meats and educating others on cutting techniques and animal welfare. Five years in meat processing paired with hands-on training serving customers effectively. Supervises a skilled team, fostering an environment of collaboration while adhering to quality standards. Mentors apprentice butchers, ensuring growth through tailored coaching and effective communication. Implements best practices for inventory management and customer interactions that enhance business results while prioritizing health and safety compliance. Committed to maintaining a clean work environment to ensure the satisfaction of both customers and team members.

EXPERIENCE

Expert Butcher January 2023 - Present
Green Valley Market Chicago, IL

Led operations for the meat department focusing on high-quality product handling and customer experience. Supervised mentoring processes for a diverse team dedicated to elevating service standards. Ensured all products met presentation and safety standards while strategizing sales initiatives that aligned with store goals.

- Showcase expertise in preparing and merchandising various cuts while achieving meticulous quality.
- Supervise and guide a team focused on packing, slicing, and displaying meat products to elevate sales.
- Ensure constant compliance with health regulations, creating a clean and safe working environment.
- Provide excellent customer service through timely addressing of inquiries and offering expert suggestions.
- Efficiently manage inventory, optimizing product availability to reduce excess waste where possible.
- Implement training programs, emphasizing essential methods in meat handling and customer engagement.

Butcher June 2020 - December 2022
Harvest Foods Peoria, IL

Contributed significantly to the operation by developing engaging food displays and enhancing customer interactions regarding meat purchases. Supported team efforts by managing custom orders aligned with client specifications while ensuring quality compliance.

- Executed comprehensive meat cutting routines following specific trimming techniques and order requests.
- Collaborated to improve product displays which stimulated increased sales and positive customer experiences.
- Educated shoppers about different products available, weaving rich narratives around meat cuts and origin.
- Assisted with tracking inventory accurately leading to reduced shortages and better supply chain function.
- Maintained all equipment cleanliness as per standard protocols, consistently exceeding health inspections.
- Trained newcomers on professional standards of meat handling alongside exemplary customer service approaches.

Apprentice Butcher May 2018 - May 2020
Meat Masters Champaign, IL

Fulfilled an intensive apprenticeship program foundational to butchering skills and professional standards. Actively assisted senior butchers ensuring compliant preparation of various meat types while building rapport with customers.

- Participated fully in a thorough butcher training curriculum establishing cut accuracy and precision.
- Helped experienced team members slice and package traditional and gourmet cuts, utilizing proper methodologies.
- Engaged directly with consumers to build lasting connections and cater recommendations enhancing satisfaction.
- Managed records for supplies effectively assisting in stock requisition leveraging horizontal collaborations.
- Ensured strict adherence to hygiene during each shift keeping workspace organized and secure.
- Developed key insights into origins of meat helping bolster overall shopper confidence in offerings.
