EXPERIENCE

Finance Intern

Dynamic Financial Solutions 📅 June 2025 - Present 📍 Wausau, WI

Focused on supporting the Accounts Payable department through diligent research and analysis. Guided by a Senior Analyst, tracked financial performance indicators while assisting in detailed variance analysis.

- Executed thorough research on outstanding financial items, reducing resolution times considerably.
- Actively collaborated with team members to create profiles aimed at identifying future financial opportunities within the firm.
- Provided consistent support to Senior Analysts, enhancing forecasting accuracy and financial reporting quality.
- Enhanced departmental processes through innovative problem-solving and teamwork.

Junior Financial Analyst

Valiant Finance Group 📅 January 2024 - May 2025 📍 Austin, TX

Engaged in multifaceted financial analysis tasks while focusing predominantly on modeling and forecasting. Developed actionable insights adhering to management's needs for report preparation.

- Orchestrated complex financial models to drive strategic decision-making initiatives.
- Analyzed vast data sets to extract relevant information and prepared comprehensive reporting documents for management.
- Participated in preparing monthly financial statements and detailed variance reports to assess fiscal health.
