## EXPERIENCE

### Financial Analyst

Creative Financial Solutions

June 2025 - Present

Schaumburg, IL

As a Financial Analyst, developed effective strategies by performing detailed financial reporting and forecasts that drive informed business decisions. Collaborated closely with IT and Accounting teams to improve the accuracy of data maintained for reporting purposes. Analyzed market trends alongside competitor data to equip leadership with valuable insights vital for strategic planning.

- Conduct regular financial analyses that inform key company initiatives.
- Work in partnership with cross-functional teams including IT, Accounting, and Operations.
- Enhance data integrity for more reliable financial reports.
- Provide management with actionable insights gained from extensive competitor review.

### Financial Analyst Intern

Innovative Financial Strategies

June 2024 - May 2025

Naperville, IL

Supported various department needs as an intern gaining valuable hands-on experience. Contributed significantly to preparing financial reports and analyzing comprehensive forecasts under the guidance of senior analysts. Identified and presented findings of competitive data analysis which aided in broader team strategy formulation.

- Assist with conducting rigorous financial report preparation and insights gathering.
- Present detailed competitor analysis to enhance understanding of market positioning.
- Collaborate with cross-department teams for execution of significant projects.
- Support financial data interpretation efforts vital for ongoing operations.
