SUMMARY

Finance student passionate about process optimization and enhancing operational efficiency. With a solid background managing accounts and engaging with clients, I bring strong communication skills essential for collaborative environments. My prior experience in financial analysis developed into a knack for identifying improvement areas. Excited to contribute effectively while learning from experienced professionals at Future Finance Group. Proficient with Microsoft Office tools, eager to apply skill set in reconciling accounts, making collection calls, and streamlining workflows. Committed to further strengthening financial operations to ensure positive impacts.
