## SUMMARY

Enthusiastic professional with over 2 years in customer service and inventory management. Skilled at enhancing member experiences through maintaining quality standards and cleanliness in food service areas. Committed to resolving issues promptly and efficiently to meet member needs, contributing positively to overall brand reputation. Experienced in strategic stocking that aligns with popular demand, ensuring optimal product availability. Adept at conducting safety checks and adhering strictly to policies, cultivating a safe environment for both team members and shoppers. Excited to join Fresh Foods Co. and contribute to operational excellence.

## EXPERIENCE

**Deli Stocker Associate**  
Fresh Foods Co.

June 2025 - Present  
*Latham, NY*

In an integral role, responsible for maintaining integrity within the deli and cooler environments while delivering exceptional service to members. This position involves collaborating seamlessly with teams to ensure efficient stock management and compliance with health standards.

- Uphold exemplary cleanliness and organization across deli and cooler sections, ensuring customers enjoy an inviting shopping ambiance.
- Regularly assess expiration dates on items, removing expired products, thereby promoting safety and product quality.
- Engage proactively with shoppers, guiding them in product selection and swiftly addressing inquiries, enhancing their satisfaction.
- Collaborate with peers for timely restocking of shelves, making sure high-demand products remain accessible throughout peak hours.
- Conduct routine safety inspections of equipment, promptly reporting maintenance needs to support operational efficiency.
- Participate actively in training sessions, ensuring up-to-date knowledge on food handling practices and compliance.

**Stock Associate**  
Grocery Mart

May 2024 - May 2025  
*Schenectady, NY*

Provided essential support in daily operations involving inventory management and customer service within a busy grocery environment, focused on team cooperation and productivity improvements for enhanced customer satisfaction.

- Played a key role in effectively organizing and stocking grocery items and assuring optimal presentation with consistent follow-through on restock requests.
- Enhanced customer interactions by actively assisting shoppers with queries and improving their overall experience in-store.
- Monitored stock levels attentively, relaying restock requirements to management, yielding notably improved turnover rates.
- Maintained exemplary health and safety standards throughout store operations, directly contributing to a compliant business environment.
- Worked collaboratively on promotional displays, leading to heightened visibility and boosting sales during key sale periods.
- Handled delivery processing competently, ensuring accurate inventory documentation and reducing discrepancies.
