STRENGTHS

- 😊 **Welcoming service**
Greets visitors at supervised events and gives clear directions. A warm first answer often settles questions quickly.
- 📊 **Payment accuracy**
Practices cash, card, and mobile admissions with careful change checks. Accuracy matters most during a busy entry period.
- ♥️ **Safety awareness**
Watches entry areas for hazards and alerts supervisors early. Small observations can prevent bigger problems.
- 📢 **Policy communication**
Explains venue rules and schedules in plain language. Guests respond better when instructions feel clear and respectful.
- 👥 **Team support**
Works with event supervisors and peers during structured activities. A quick question helps keep service moving smoothly.

EXPERIENCE

Recreation Admissions Student Assistant

Student Activities Office 📅 August 2025 - Present 📍 Pearland, TX

Supports supervised school events through visitor welcome, admission processing, tablet check in, rule communication, bag checks, and safety observation. Works with event supervisors and peers while practicing accurate service in busy indoor and outdoor settings.

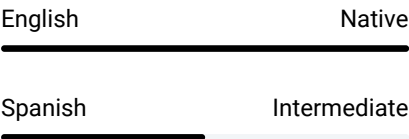

- Greeted visitors at supervised school events and directed guests toward activity areas.
- Practiced **cash**, card, and **mobile admission transactions** while verifying change accurately.
- Recorded entries with **tablet check in** tools and **event lists** during admissions.
- Explained **venue rules** and schedules, then escalated unusual questions to supervisors.
- Performed supervised bag check procedures at designated school events and followed instructions.
- Observed entry areas for hazards and alerted **event supervisors** about safety concerns.

PROJECTS

Community Recreation Operations Project 📅 2026

Created a simulated recreation facility operating plan with admissions, visitor information, safety response, and recordkeeping. Built an admissions worksheet for multiple payment methods, prepared materials covering facilities and rules, evaluated 20 guest scenarios involving questions and minor emergencies, organized service records with spreadsheets, and presented recommendations for welcoming operations.
