

Rory Sandoval

Frontend / Backend Developer Intern

📞 (512) 555-0123 ✉️ rory.sandoval@example.com 🌐 linkedin.com/in/rorysandoval 📍 123 Maple Street, Austin, TX 78701

SUMMARY

Detail-oriented software developer eager to innovate through both frontend and backend projects. Experience at Tech Innovations Inc. focused on JavaScript and React for frontend development. Collaborated with backend engineers ensuring optimized data flow, improving applications as a cohesive unit. Passionate about building responsive web applications with an eye for user experience. Committed to coding best practices while testing for quality assurance alongside hands-on deployment on AWS. Ready to apply skills in Java and Spring Boot within backend systems to facilitate seamless user interactions. Excited about contributing at Creative Tech Solutions.

EDUCATION

Bachelor's Degree in Computer Science

University of Texas at Austin 🎓 GPA: 3.8 📅 2024 📍 Austin, TX

Coursework: Data Structures, Database Management, Web Development, Software Engineering

TECHNICAL SKILLS

- **Frontend Languages:** JavaScript, TypeScript, React
- **Backend Technologies:** Java, Spring Boot, JUnit
- **Database Management:** PostgreSQL, MongoDB
- **Cloud Services:** AWS
- **Development Methodologies:** Agile, Unit Testing

SKILLS

- JavaScript
- Java
- MongoDB
- Unit Testing
- TypeScript
- Spring Boot
- AWS
- Agile Development
- React
- PostgreSQL
- JUnit

EXPERIENCE

Frontend Developer

Tech Innovations Inc. 📅 June 2025 - Present 📍 Dallas, TX

Key responsibilities include designing user interfaces with React and enhancing user experiences through collaborative work with backend teams. Focuses on developing responsive applications that meet client demands.

- Developed interactive user interfaces using React and TypeScript for various web applications.
- Collaborated with backend teams to integrate APIs and optimize data flow.
- Wrote unit tests to ensure code reliability and performance across browsers.
- Implemented feedback from QA to enhance application user satisfaction.

Backend Developer Intern

NextGen Software Solutions 📅 June 2024 - May 2025 📍 Houston, TX

Contributed to backend service enhancements and database optimization aiming at system efficiency while emphasizing the overall quality of software development.

- Assisted in the development and maintenance of backend services using Java and Spring Boot.
- Designed and optimized database queries with PostgreSQL to enhance application performance.
- Participated in code reviews and contributed to the improvement of system architecture.
- Engaged actively with team members to troubleshoot application issues efficiently.

LEADERSHIP & AWARDS

- Recipient of the Tech Innovations Excellence Award for outstanding project contributions in 2026.
- Honored with NextGen Solutions Rising Star for exceptional performance during internship in 2025.

CERTIFICATIONS

- AWS Certified Developer – Associate 📅 2025
- Java Certification - Advanced Level 📅 2025

PROFESSIONAL AFFILIATIONS

- Member of the Austin Tech Developers Community, fostering collaborations and knowledge sharing since 2025.
- Active participant in local web development bootcamps aimed at mentoring aspiring developers.

LANGUAGES

- English (Native)
- Spanish (Proficient)
