

# Rory Sandoval

## Frontend / Backend Developer Intern

📞 (512) 555-0123 ✉️ rory.sandoval@example.com

🌐 linkedin.com/in/rorysandoval 📍 123 Maple Street, Austin, TX 78701

### SUMMARY

Detail-oriented software developer eager to innovate through both frontend and backend projects. Experience at Tech Innovations Inc. focused on JavaScript and React for frontend development. Collaborated with backend engineers ensuring optimized data flow, improving applications as a cohesive unit. Passionate about building responsive web applications with an eye for user experience. Committed to coding best practices while testing for quality assurance alongside hands-on deployment on AWS. Ready to apply skills in Java and Spring Boot within backend systems to facilitate seamless user interactions. Excited about contributing at Creative Tech Solutions.

### EDUCATION

#### Bachelor's Degree in Computer Science

University of Texas at Austin 🎓 GPA: 3.8 📅 2024 📍 Austin, TX

**Coursework:** Data Structures, Database Management, Web Development, Software Engineering

### TECHNICAL SKILLS

- **Frontend Languages:** JavaScript, TypeScript, React
- **Backend Technologies:** Java, Spring Boot, JUnit
- **Database Management:** PostgreSQL, MongoDB
- **Cloud Services:** AWS
- **Development Methodologies:** Agile, Unit Testing

### EXPERIENCE

#### Frontend Developer

Tech Innovations Inc. 📅 June 2025 - Present 📍 Dallas, TX

Key responsibilities include designing user interfaces with React and enhancing user experiences through collaborative work with backend teams. Focuses on developing responsive applications that meet client demands.

- Developed interactive user interfaces using React and TypeScript for various web applications.
- Collaborated with backend teams to integrate APIs and optimize data flow.
- Wrote unit tests to ensure code reliability and performance across browsers.
- Implemented feedback from QA to enhance application user satisfaction.

#### Backend Developer Intern

NextGen Software Solutions 📅 June 2024 - May 2025 📍 Houston, TX

Contributed to backend service enhancements and database optimization aiming at system efficiency while emphasizing the overall quality of software development.

- Assisted in the development and maintenance of backend services using Java and Spring Boot.
- Designed and optimized database queries with PostgreSQL to enhance application performance.
- Participated in code reviews and contributed to the improvement of system architecture.
- Engaged actively with team members to troubleshoot application issues efficiently.

### LEADERSHIP & AWARDS

- Recipient of the Tech Innovations Excellence Award for outstanding project contributions in 2026.
- Honored with NextGen Solutions Rising Star for exceptional performance during internship in 2025.

### STRENGTHS

- 💡 **Problem Solver**  
Eagerly tackled complex technical issues, leading peers to adopted solutions swiftly and effectively.
- 👥 **Team Collaborator**  
Facilitated smooth workflows for project integration by liaising with cross-functional teams, becoming a reliable team support.
- 🔄 **Adaptability**  
Quickly adapted to new technologies, often stepping out of comfort zones resulting in commendable project turns amidst tight deadlines.
- 💡 **Innovative Thinker**  
Generated novel approaches when troubleshooting system malfunctions, boosting overall creativity among teammates.
- ✅ **Attention to Detail**  
Cultivated detail-oriented tendencies, catching inconsistencies early in development phases—leading quality outputs everyone trusted!

## LANGUAGES

---

English Native

---

Spanish Proficient

---

## MY CAREER

---

- Frontend Developer at Tech Innovations Inc. (1 Years)
- Backend Developer Intern at NextGen Software Solutions (11 Months)

## CERTIFICATIONS

---

- AWS Certified Developer – Associate 📅 2025
- Java Certification - Advanced Level 📅 2025

## PROFESSIONAL AFFILIATIONS

---

- Member of the Austin Tech Developers Community, fostering collaborations and knowledge sharing since 2025.
- Active participant in local web development bootcamps aimed at mentoring aspiring developers.
