STRENGTHS

- ♥ **Student centered judgment**
When health or regulation needs changed, adjusted pacing and routines while keeping learning purposeful and calm.
- 👥 **IEP facilitation**
Prepared evidence and plain language explanations for meetings, helping families and partners reach clear shared decisions.
- ♿ **Accessible instruction**
Built varied entry points for literacy, numeracy, communication, and functional learning, then watched access improve.
- 📅 **Deadline discipline**
During busy reporting periods, organized records and checkpoints so required updates stayed accurate and timely.
- 💬 **Collaborative practice**
Shared useful adaptations in PLCs, and colleagues gained practical ideas for consistent student support.

SKILLS

K to 5 Special Education
Medically Fragile Students
Self Contained Classrooms
Individualized Education Plans
IEP Meeting Facilitation
Progress Monitoring
Differentiated Instruction

SUMMARY

Special education teacher with six years of K to 12 experience, including elementary self contained classrooms serving students with intensive learning, health, communication, mobility, and functional support needs. Holds a valid **Hawaii Special Education teaching license** and extensive experience developing, implementing, monitoring, and facilitating Individualized Education Plans and meetings. Adapts standards based instruction, classroom routines, and access methods around student needs, including changes that arise during the school day. Maintains organized progress records, communicates clearly with **families**, and coordinates instruction with multidisciplinary teams, nursing support, related service providers, district personnel, and **community partners**. Active Professional Learning Community contributor who uses student evidence to refine instruction, meet deadlines, and support consistent programming. Prepared to bring sound judgment, empathy, and practical classroom leadership to a medically fragile **K to 5** setting.

EXPERIENCE

Special Education Teacher, Medically Fragile Elementary

Island View Learning Center 📅 August 2024 - Present 📍 Kaneohe, HI

Leads a fully self contained elementary classroom for students with intensive instructional, communication, mobility, and health related needs. Owns complex IEP coordination, family communication, **progress monitoring**, daily instructional decisions, and collaboration with related services, nursing support, administrators, and PLC colleagues.

- Aligned daily learning with IEP goals for students needing intensive instructional, communication, mobility, and health support.
- Facilitated **IEP meetings** with families, providers, nursing staff, and administrators using progress evidence to shape goals.
- Designed differentiated literacy, numeracy, communication, and functional activities with varied access methods for individual learners.
- Reviewed work samples, observations, and service input before reporting periods, supporting timely instructional adjustments.
- Modified pacing and routines when health or regulation needs changed, preserving instructional continuity through sound judgment.
- Shared student evidence and instructional strategies in PLC discussions, strengthening consistency across classroom and related services.

Special Education Teacher

Windward Student Support Academy 📅 July 2022 - July 2024 📍 Kailua, HI

Managed an elementary **special education** caseload with varied academic and functional needs. Converted IEP goals into weekly instruction, coordinated formal meetings, built predictable classroom systems, and connected recommendations from speech, occupational therapy, behavioral, and health support partners to learning.

- Converted IEP goals into weekly instructional plans and observable progress measures for varied elementary learners.
- Prepared present level summaries, progress data, proposed goals, and family explanations for timely **IEP meetings**.
- Built structured routines and visual supports that increased predictability for students needing significant adult guidance.
- Integrated speech, occupational therapy, behavioral, and health recommendations into classroom activities and learning goals.
- Triaged instruction, documentation, and student support needs during competing priorities, preserving required deadlines.
- Shared lesson adaptations and **progress monitoring** approaches in collaborative planning meetings, giving colleagues practical strategies.

MY CAREER

● Special Education Teacher, Medically Fragile Elementary at Island View Learning Center (2.1 Years)

● Special Education Teacher at Windward Student Support Academy (2 Years)

● Special Education Teacher at Leeward Inclusive Education Services (1.8 Years)

● Special Education Teacher at Harbor Ridge School (1.9 Years)

Special Education Teacher

Leeward Inclusive Education Services 📅 August 2020 - June 2022 📍 Kapolei, HI

Delivered specialized instruction for elementary and middle grade students with disabilities across academic, communication, self management, and functional domains. Prepared evidence based progress updates, coordinated families and multidisciplinary staff, maintained compliance records, and strengthened practice through mentoring and professional learning.

- Delivered specialized instruction using IEP goals and classroom evidence to select appropriate supports for learners.
- Prepared progress updates from measures, observations, work samples, and service input for instructional decisions.
- Developed adapted materials and small group lessons supporting communication, academics, self management, and functional participation.
- Coordinated with families and multidisciplinary staff before **IEP meetings**, clarifying concerns and gathering current information.
- Maintained **special education** documentation and calendar checkpoints during high volume evaluation and reporting periods.
- Applied mentor feedback and professional learning to strengthen differentiation, behavior routines, and general education collaboration.

Special Education Teacher

Harbor Ridge School 📅 August 2018 - July 2020 📍 Honolulu, HI

Started a teaching career in a supported K to 8 **special education** setting, planning individualized lessons and gradually assuming ownership of a full caseload. Built dependable routines for instruction, family communication, related service coordination, documentation, deadline management, and reflective professional growth.

- Planned individualized lessons under established procedures while gradually assuming ownership of a full caseload.
- Translated IEP objectives into daily activities and recorded responses through work samples, observations, and skill checks.
- Established consistent routines and accessible materials for students needing academic, communication, and behavioral support.
- Prepared family updates and meeting materials with guidance from experienced special educators for clear progress discussions.
- Coordinated schedules with related service providers while preserving access to core instructional activities.
- Completed professional learning and coaching cycles, building judgment, deadline management, and collaborative practice.

PROJECTS

Medically Fragile Classroom Access Plan 📅 2025

Created a classroom planning framework that connected IEP goals, health considerations, communication access, functional learning, and daily instructional routines. Student needs shaped each decision, giving staff a clearer path for consistent support.

Family Centered IEP Communication Series 📅 2023

Developed family friendly meeting materials and progress explanations for complex educational planning. Clear language helped families participate with confidence and gave school partners a shared starting point.

LEADERSHIP & AWARDS

- Hawaii Special Education Teaching License recognized for sustained service in intensive support classrooms.
- Professional Learning Community contributor recognized for practical instructional sharing and collaborative problem solving.
- Family partnership leadership recognized through clear communication during complex IEP planning meetings.

EDUCATION

Bachelor of Education in Special Education

University of Hawai'i at Mānoa 🎓 GPA: 4.0 📅 2018 📍 Honolulu, HI

Coursework: *Individualized Education Plans, differentiated instruction, classroom management, functional learning*

CERTIFICATIONS

- Hawaii Special Education Teaching License 📅 2018
- CPR and First Aid for School Personnel 📅 2026

TECHNICAL SKILLS
