SUMMARY

Dedicated culinary professional with over 5 years of comprehensive experience in food service and large-scale meal preparation. Proven ability to manage kitchen operations effectively while ensuring high standards of food safety and customer service. Strong background in creating diverse meals catering to various dietary needs. Skilled in fostering a collaborative team environment, training staff, and enhancing efficiency in culinary operations. Experience includes overseeing kitchens for events ranging from 20 to 300 guests, maintaining cleanliness, managing inventory, and implementing sustainability practices alongside operational goals.

EXPERIENCE

Head Chef

June 2021 – Present

Harvest Table Catering

Columbia, MO

Manage culinary operations at a catering company specializing in farm-to-table cuisine, serving events for up to 300 guests. Oversee menu creation and improve guest experiences through structured feedback and adjustments. Train and supervise kitchen staff while ensuring top-notch food quality and sanitation standards.

- Led culinary operations, driving seasonal menu development utilizing locally sourced ingredients to optimize sustainability.
- Managed a 10-member kitchen team, ensuring efficient workflow and high-quality meal preparation.
- Implemented stringent food safety and sanitation protocols, achieving zero health code violations during assessments.
- Collaborated effectively with event planners to provide customized menus aligned with guests' dietary restrictions.
- Oversaw supply inventory management, reducing waste and optimizing overall food costs.
- Developed a training program to enhance staff experience with equipment and culinary techniques.

Culinary Supervisor

March 2018 – May 2021

Green Leaf Retreat

Jefferson City, MO

Supervised kitchen operations in a retreat center focused on preparing meals for varied group sizes while accommodating dietary needs. Encouraged teamwork among assistant cooks and volunteers for optimum service delivery.

- Coordinated daily kitchen activities ensuring smooth operation during busy service times, meeting diverse dietary preferences.
- Directed a team of assistants, promoting responsibility and accountability through effective task delegation.
- Created strategic schedules for meal prep and service that reduced food waste by improving organization.
- Engaged local farms to source fresh produce, strengthening community ties and enhancing ingredient quality.
- Initiated guest feedback opportunities aimed at refining menu offerings based on preferences and dietary requirements.
- Provided training sessions on food safety and equipment care fostering professional development among kitchen staff.

Line Cook

January 2016 – February 2018

Sunny Side Up Diner

Kansas City, MO

Prepared dishes in a fast-paced diner environment, focusing on speed while balancing high culinary standards. Fostered collaboration with kitchen and management teams to promote exceptional dining experiences.

- Cooked diverse menu items quickly and efficiently while meeting food safety regulations.
- Assisted in crafting weekly specials that attracted returning customers and improved sales.
- Maintained excellent cleanliness throughout kitchen operations including organizing storage spaces.
- Received commendations from patrons reflecting outstanding customer service and detailed meal presentation.
- Streamlined inventory processes, proactive in restocking supplies to prevent disruptions in service.
- Participated in weekend shifts actively aiding with special event functions for larger groups.

LEADERSHIP & AWARDS

- ServSafe recognition for commitment to exceptional food safety practices, 2026
- Catering Excellence Award received for client satisfaction and innovative menu development, 2025
