MY CAREER

● Senior Health Program Manager, Equity and Community Systems at CivicBridge Homelessness Response Collaborative (3.5 Years)

● Health Program Manager at Westhaven Public Health Partnership (2.7 Years)

● Senior Health Program Analyst at North Valley Health Access Network (1.8 Years)

Oversaw a system wide community health portfolio with **analyst supervision**, outcomes monitoring, fiscal review, provider reporting, policy analysis, and **consultative services** for management. Strengthened reporting discipline and converted scattered information into clear oversight decisions.

- Supervised analysts producing outcome reports, provider reviews, fiscal **monitoring**, and policy impact assessments.
- Created reporting routines that combined service **data**, partner input, and exception tracking for leadership review.
- Reviewed provider **performance** against contracts, identifying resource gaps and practical **mitigation** steps.
- Briefed management on emerging disparities, compliance concerns, operational trends, and recommended follow up.
- Coordinated cross functional analysts and providers during time sensitive reporting and performance improvement work.

Health Program Analyst

Redwood County Wellness Alliance 📅 September 2017 - June 2018 📍 Fresno, CA

Analyzed a large **public health** program segment using outreach, referral, service completion, compliance, and partner data. Supported program managers with performance summaries, issue resolution, stakeholder coordination, and evidence based process improvements.

- Analyzed outreach and referral data to locate service completion gaps across community partner workflows.
- Tracked **compliance** exceptions and recurring needs, helping managers prioritize focused follow up with providers.
- Prepared concise performance reports that connected partner activity with access outcomes and program priorities.
- Coordinated data requests among outreach teams, **public agencies**, and **community organizations** during review cycles.
- Updated procedures after examining outcome trends, participant feedback, and unresolved operational issues.

PROJECTS

Homelessness Equity Performance Framework 📅 2024

A recurring reporting problem became a useful opening. Built a practical framework joining disparity measures, lived experience information, surveys, partner data, and public reporting for clearer course correction.

Community Health Resource Allocation Review 📅 2022

Resource decisions carried different effects across communities. Reviewed budgeting, contracting, performance measures, and policy impacts to support fairer allocation discussions with program leaders.

Workforce Belonging and Cultural Care Initiative 📅 2021

Staff feedback pointed to gaps that routine metrics missed. Coordinated learning, recognition, cultural competency, disability inclusion, and retention actions across public health teams.
