SUMMARY

Talent acquisition professional with experience supporting high volume recruitment programs, candidate pipelines, and hiring operations across fast paced environments. Skilled in **Applicant Tracking Systems**, sourcing strategies, recruitment metrics, candidate engagement, and stakeholder communication. Partners with hiring leaders to clarify workforce needs, define role requirements, and develop practical **sourcing approaches**. Reviews applicants, presents **qualified candidate groups**, supports compensation discussions, and shares market based recommendations. Maintains accurate records, timely communication, organized interview scheduling, and positive candidate experiences across multiple searches. Uses recruiting analytics and process documentation to support informed hiring decisions. Brings a consultative approach to recruiting operations and would contribute dependable coordination, thoughtful candidate care, and clear communication within a remote **talent acquisition** team.

EXPERIENCE

Recruiter, Talent Acquisition

March 2023 - Present

BrightPath Recruiting

Milwaukee, WI

Supports high volume recruiting programs from intake through placement, managing sourcing, applicant review, candidate communication, reporting, and offer coordination across multiple searches.

- Managed **recruiting cycles** through intake, sourcing plans, applicant reviews, and **candidate communication**.
- Built talent pipelines through ATS workflows, social media sourcing, and structured applicant evaluation.
- Partnered with hiring managers to clarify role requirements and share market based recommendations.
- Maintained **recruitment metrics** and reports tracking pipeline activity, candidate movement, and search progress.
- Supported **compensation discussions** through offer preparation, information review, and approval coordination.
- Improved **candidate engagement** through consistent updates and organized **interview scheduling**.

Recruiting Coordinator, Talent Acquisition

June 2021 - February 2023

TalentBridge Services

Green Bay, WI

Coordinated recruiting operations across multiple openings, supporting applicant review, ATS data quality, sourcing campaigns, interview logistics, reporting, and workflow documentation.

- Coordinated recruiting activity across multiple openings while maintaining accurate applicant records.
- Reviewed resumes against **role requirements**, helping recruiting teams advance qualified candidates.
- Prepared **hiring reports** and maintained **ATS data quality** for recruiting teams.
- Scheduled interviews and communicated process updates with **applicants** throughout hiring cycles.
- Supported sourcing campaigns and outreach for **hard to fill positions**.
- Documented recruiting procedures and workflow improvements for consistent team execution.

PROJECTS

High Volume Pipeline Reporting 📅 2025

Created a practical recruiting metrics workflow that organized pipeline activity, candidate movement, search progress, and hiring team updates. Clear reporting supported timely decisions and stronger communication.

Candidate Engagement Workflow 📅 2024

Improved candidate communication through organized interview scheduling, consistent status updates, and documented recruiting procedures. The approach supported a more dependable experience across multiple openings.

LEADERSHIP & AWARDS

- Recognized by recruiting partners for dependable coordination across multiple high volume searches.
- Trusted by hiring leaders for clear market based recommendations and organized candidate presentations.
- Selected as a go to resource for ATS data quality, recruiting reports, and workflow documentation.
