SUMMARY

Compassionate Licensed Practical Nurse with over 2 years in home health. Expertise in collaborating with healthcare teams to ensure patient needs are met while educating patients and caregivers on effective self-management strategies. Proven ability to perform specialized procedures such as catheter changes and monitor vital signs accurately. Enthusiastic about contributing to a team where individual strengths drive excellent patient care.

STRENGTHS

- ♥️ **Patient Care Skills**
Consistently provide compassionate patient care that builds trust and confidence, becoming positively viewed by clients.
- 🗨️ **Interpersonal Communication**
Frequently sought out for advice by peers on handling sensitive patient concerns, highlighting strong communication skills.
- 🔄 **Adaptability**
Embrace challenges, adjust quickly in various patient environments, and maintain poise under pressure, ensuring optimal care.
- 👥 **Team Collaboration**
Played a pivotal role in multidisciplinary teams, helping streamline processes and improve patient outcomes significantly.
- ✔️ **Attention to Detail**
Have earned recognition for precise documentation in patient records, essential for feedback and treatment adjustments.
