SUMMARY

Compassionate and skilled Registered Nurse with over 4 years in acute care and hospice environments. Strong focus on patient assessments, symptom management, and collaboration to enhance patient outcomes. Passionate about delivering individualized and compassionate care in home settings, prioritizing pain management and quality of life. Adept at working with interdisciplinary teams and employing advanced technology for patient health monitoring, ensuring optimal comfort and support for patients and their families. Eager to contribute expertise in nursing to the devoted team at Compassionate Care Solutions, fostering a dignified end-of-life experience.

EXPERIENCE

Hospice Registered Nurse

Compassionate Care Solutions | June 2025 - Present | Chicago, IL

Engaged as a Hospice Registered Nurse focusing on thorough patient assessments and overseeing detailed care plans. Responsibilities include administering medications and managing symptoms while offering emotional support to patients and their families in home environments. Collaborated closely with interdisciplinary teams to ensure optimal patient outcomes and increased satisfaction. Utilized advanced healthcare technologies for timely patient monitoring and effective care delivery.

- Conduct comprehensive patient assessments and develop personalized care strategies tailored to individual needs.
- Provide emotional support and manage symptoms effectively through compassionate engagement.
- Collaborate intensively with medical teams, enhancing patient care coordination for better health results.
- Implement advanced technology to monitor patient condition and alert teams to critical changes.

Acute Care Nurse

Healing Hands Medical Center | July 2023 - May 2025 | Peoria, IL

Focused on providing high-quality nursing care in a dynamic acute care setting. Developed strong assessment skills while engaging thoroughly with patients. Adhered carefully to medication administration protocols and treatment planning procedures.

- Delivered daily nursing care, ensuring adherence to established standards of quality and safety.
- Assisted in performing patient assessments and coordinating actions between professionals for continuity of care.
- Managed and documented patient information accurately to facilitate effective communication among care teams.
- Participated actively in ongoing staff training programs aimed at improving emergency response practices.

Nursing Intern

University Hospital | January 2022 - June 2023 | Champaign, IL

Gained hands-on experience assisting nursing staff in routine care, further expanding knowledge in patient safety and medication protocols. Supported educational initiatives that improved patient engagement and understanding.

- Aided nursing teams by conducting vital sign checks and gathering patient history for effective assessments.
- Developed basic skills in medication preparation and administration under supervision.
- Actively participated in patient education sessions, helping improve chronic disease management awareness.
- Fostered positive interactions with patients, promoting trust and cooperation during care.

LEADERSHIP & AWARDS

- Nurse Excellence Award at Healing Hands Medical Center, 2024 for outstanding patient care and teamwork.
