STRENGTHS

- 📖 **Patient Tutoring**
Explained difficult homework concepts in smaller steps, then checked understanding until students could continue independently.
- 👥 **Calm Supervision**
During busy classroom and playground periods, steady redirection helped students follow rules and rejoin activities.
- ♥️ **Safety Awareness**
Routine space and equipment checks helped identify hazards early, keeping daily activities orderly and reassuring.
- 💬 **Family Communication**
Shared concise behavior and homework updates with tact, protecting privacy and preserving cooperative relationships.
- 👤 **Activity Leadership**
Crafts, games, projects, and outdoor rotations gave students clear choices, useful structure, and positive participation.

SUMMARY

Instructional support professional with three years of experience serving school age children in extended day programs. Provides patient homework guidance in reading, **language arts**, mathematics, science, history, and **social studies**. Leads classroom, playground, craft, project, game, snack, and transition activities for groups of up to 20 students. Maintains attendance, activity records, supplies, **bulletin boards**, parent notes, and orderly learning spaces. Uses positive reinforcement, calm redirection, child development principles, and established conduct procedures to support safe participation. Communicates clearly with families and staff during behavior or homework concerns. CPR and First Aid certified, with practical experience using school software, Microsoft Office, **audio visual equipment**, and activity materials. Ready to contribute dependable supervision, thoughtful instruction, and steady care in a school based program.

EXPERIENCE

Extended Day Instructional Assistant

Riverbend Youth Enrichment 📅 August 2024 - Present 📍 Sacramento, California

Supports extended day instruction and enrichment across homework, classroom, playground, snack, transition, and **outdoor activities**. Leads groups of 10 to 20 elementary students, maintains daily records, and communicates with families while following safety, conduct, and **emergency procedures**.

- Led **homework** and enrichment rotations for 10 to 20 students, building steady participation.
- Tutored **reading, mathematics**, science, and social studies through clear explanations and checks.
- Maintained attendance, activity records, supplies, and parent notes using school software.
- Reinforced conduct expectations through positive feedback, calm redirection, and documented follow up.
- Checked spaces and equipment, addressed hazards, administered **first aid**, and followed emergencies.
- Shared concise behavior and homework updates with families while protecting student privacy.

After School Program Aide

Oakview Community Learning Program 📅 September 2023 - July 2024 📍 Woodland, California

Supported supervised after school programming across classroom, playground, snack, dismissal, and learning station activities. Prepared materials, guided homework practice, recorded attendance, operated equipment, and directed family questions with patience and courtesy.

- Supported classroom, playground, snack, and dismissal activities under site supervision.
- Prepared craft **materials**, learning stations, bulletin boards, and supplies before arrival.
- Reinforced homework concepts through guided reading, arithmetic practice, and age appropriate questions.
- Monitored student activities for **safety**, conduct, and **hazards** using approved procedures.
- Recorded **attendance**, operated computers and **audio visual equipment**, and completed clerical tasks.
- Escorted students, supported **snack preparation**, and routed family questions appropriately.

PROJECTS

Extended Day Activity Planning 📅 2025

Created rotating homework, craft, game, project, and outdoor activity plans for school age groups. Prepared materials, supported participation, and kept transitions orderly across classroom and playground settings.
