SUMMARY

Entrepreneurial **insurance** and **financial services** professional with 15 years advising households, business owners, and **Fortune 1000 customers** through planned and unexpected moments. Licensed in Illinois for property/casualty and life/health insurance, with hands-on success building consultative sales practices, referral networks, client education programs, and community-based growth. Eight years of business ownership and management include office formation, staff coaching, producer development, compliant workflows, and coordinated planning with financial advisors. Career experience covers auto, home, commercial, life, health, retirement, estate planning, annuities, trust services, and **investment management** conversations. Authentic communication and disciplined prospecting have earned client trust and referral momentum. Ready to establish a client-centered practice, build capable staff, and help more families and business owners protect what matters most.

EXPERIENCE

Owner and Insurance Agency Principal

Lakeside Shield Advisors · May 2018 - Present · Naperville, IL

Own and direct an independent insurance practice serving households and closely held businesses across property/casualty, life, and health lines. Lead staff development, referral strategy, client education, office operations, and coordinated planning conversations that connect protection with long-term financial goals.

- Built an independent practice across property, casualty, life, and health lines for households and businesses.
- Created referral partnerships with attorneys, mortgage professionals, payroll providers, and **financial advisors** for coordinated planning.
- Guided **coverage reviews** across auto, home, commercial, life, and health needs using documented **exposure analysis**.
- Coached six staff members on consultative discovery, **customer training**, prospecting, and service follow-through.
- Introduced annual reviews linking insurance protection with retirement, annuities, investment management, and **estate planning**.
- Led **community workshops** for families and small-business owners, creating qualified referral opportunities through education.

Senior Insurance Producer and Agency Manager

Midwest Horizon Financial Group · January 2014 - April 2018 · Schaumburg, IL

Managed personal and commercial accounts while leading production, onboarding, **client education**, referral coordination, and agency service standards. Connected insurance recommendations with retirement and financial planning introductions, giving business owners and affluent households clearer choices.

- Managed personal and commercial accounts while producing new business across property/casualty, life, and **health insurance**.
- Led needs-analysis meetings for business owners and affluent households, generating **financial planning** referrals.
- Developed producer onboarding covering licensing, carrier systems, **policy comparisons**, service standards, and **documentation controls**.
- Coordinated investment professionals on introductions involving **annuities**, trusts, estate planning, and investment management.
- Reworked lead follow-up calendars, giving prospects consistent education before quotes or coverage changes.
- Resolved complex claims questions through clear explanations and timely carrier coordination, preserving client relationships.

STRENGTHS

Consultative education
Coverage conversations became easier after plain-language explanations connected limits, exclusions, and family priorities.

Community prospecting
Educational workshops and local referrals opened conversations that transactional outreach rarely reached; clients valued practical guidance.

Practice building
Office formation, staff coaching, and referral development turned an independent operation into a trusted local resource.

Financial coordination
Working alongside advisors connected insurance reviews with retirement, annuity, estate planning, and investment discussions.

Service leadership
During difficult claims questions, clear updates and carrier coordination preserved confidence and gave customers room to decide.

Associate Insurance Representative

Riverbend Mutual Agency | August 2009 - May 2011 | Downers Grove, IL

Supported licensed producers with quote preparation, coverage comparisons, policy changes, renewals, claims documentation, and introductory customer conversations. Completed licensing coursework while strengthening follow-up visibility and meeting readiness across a four-producer office.

- Prepared quotes, coverage comparisons, policy changes, and renewal outreach for auto, home, and small-business accounts.
- Conducted introductory calls identifying household changes, business exposures, and life or health needs.
- Prepared meeting materials and explained routine policy terms under producer supervision for consultative appointments.
- Tracked prospect activity and renewal tasks in agency **CRM**, keeping commitments visible across four producers.
- Coordinated claim documentation and carrier communications, giving customers clear status updates during stressful events.
- Passed **Illinois** property/casualty and life/health examinations while supporting daily agency operations.

Insurance Services Intern

Fox Valley Financial Services | May 2008 - July 2009 | Geneva, IL

Supported supervised insurance reviews, **customer education**, prospect records, community seminars, and financial advisor follow-up. Presented a renewal reminder improvement project that leadership adopted as a shared calendar process.

- Researched personal and commercial products for supervised reviews involving auto, home, life, and health coverage.
- Organized prospect and renewal records, resolving missing information before producer meetings.
- Prepared comparison sheets covering limits, deductibles, exclusions, and beneficiary considerations for education sessions.
- Observed financial advisors during retirement, annuity, **investment management**, and **estate planning** discussions.
- Assisted community seminar logistics, attendance tracking, presentation materials, and post-event prospect communications.
- Presented a renewal reminder project that leadership adopted as a shared calendar template.

PROJECTS

Community Protection Workshop Series | 2021

Small sessions can change large outcomes. Built educational workshops for families and small-business owners, connecting insurance protection with retirement, estate planning, and practical risk decisions.

Annual Coverage and Financial Review Model 2019

A renewal is more than a date on a calendar. Created a client review model linking property, casualty, life, health, annuity, and investment conversations.

Producer Onboarding Playbook 2017

New producers need context before scripts. Built supervised onboarding materials covering licensing, carrier systems, policy comparisons, service standards, and documentation controls.
