STRENGTHS

- Document accuracy**
Reviewed forms and files during office training. That extra check helped keep records complete and easier for staff to use.
- Record organization**
Kept physical and electronic files orderly in academic administration. Colleagues could locate information without a long search.
- Customer support**
Handled routine information requests with patience and clear direction. A calm answer often solved a small issue quickly.
- Administrative coordination**
Prepared spreadsheets and reports for office activity. Simple, current information made daily coordination smoother for staff.
- Confidential handling**
Applied privacy practices during records work. Careful handling protected sensitive information and built trust in routine office support.
