## EXPERIENCE

### Intern, Financial Analysis

Greenfield Partners 📅 January 2026 - Present 📍 San Francisco, CA

Assist in financial modeling for diverse real estate investments and gather insights crucial for decision-making. Work collaboratively across teams to support developing investment presentations.

- Conducted thorough financial modeling and in-depth analysis, leading to informed investment decisions.
- Collaborated with analysts to prepare impactful presentations, enhancing understanding of potential investments.
- Analyzed market trends to identify new opportunities, contributing directly to strategic initiatives.
- Supported various departments by providing essential data that streamlined workflows.

### Intern, Market Research

Skyline Ventures 📅 June 2025 - December 2025 📍 Portland, OR

Engaged in comprehensive market research efforts related to commercial real estate sectors. Developed detailed reports and insights based on current market dynamics.

- Gathered qualitative and quantitative data, aiding in forecasts critical for client strategies.
- Utilized analytical tools to interpret market trends, enhancing the team's forecasting accuracy.
- Facilitated client meetings, successfully presenting findings that supported actionable recommendations.
- Developed strong relationships with industry experts, furthering both networks and resources.

### Academic Research Assistant

University Project 📅 September 2024 - June 2025 📍 Seattle, WA

## STRENGTHS

- 📖 **Research Skills**  
Effectively conducted extensive research, transforming complex data into clear, actionable insights.
- 🗣️ **Communication Skills**  
Gained recognition for ability to simplify intricate topics, fostering understanding among peers.
- 📊 **Analytical Thinking**  
Applied strong analytical skills to predict market trends, becoming a resource for colleagues looking for guidance.
- 👥 **Team Collaboration**  
Developed productive partnerships with team members, enhancing overall performance and outcomes.
- 🕒 **Time Management**  
Balanced multiple responsibilities effectively, consistently meeting deadlines without compromising quality.
