## SUMMARY

---

Compassionate and dedicated Licensed Practical Nurse with over 2 years' experience delivering high-quality patient care in ambulatory settings. Skilled in clinical assessments, medication administration, and collaborating with healthcare teams to ensure exceptional care. Partnered effectively with physicians and RNs to foster a supportive environment, prioritizing patient safety and education. Eager to leverage expertise in a new role at HealthFirst Wellness, committed to adhering to nursing standards and enhancing patient outcomes through collaborative practice.

## EXPERIENCE

---

### Licensed Practical Nurse

January 2025 - Present

HealthPlus Medical Center

*Schaumburg, IL*

Provide direct patient care including nursing assessments, vital signs monitoring, and medication administration under supervision. Engage in pre-visit planning and prepare examination areas for safe, organized patient care. Mentor new clinical staff while contributing to departmental meetings and training efforts.

- Administer medications according to best practices and clinic policies.
- Perform nursing procedures within Scope of Responsibilities.
- Prepare treatment areas complying with established protocols.
- Document patient care and observations accurately.

### Nursing Assistant

June 2024 - December 2024

CareWell Clinic

*Oak Park, IL*

Supported nursing team in providing comprehensive care to patients, ensuring efficient processes and maintaining high standards in treatment environments. Engaged actively in monitoring vital signs and executing rooming procedures.

- Assisted nursing staff with clinical duties and supported patient preparation.
- Maintained cleanliness and organization within clinical areas.
- Contributed feedback on process improvements from patient perspectives.
- Helped train new assistant staff on protocols and procedures.

### Clinical Volunteer

August 2023 - October 2023

Community Health Event

*Chicago, IL*

Participated actively in community health events. Provided educational support concerning health promotion and accessible care systems, enhancing community understanding of health resources.

- Educated attendees about preventive health measures.
- Organized materials and resources for clinic operations.
- Collaborated closely with healthcare providers during event activities.
- Gathered participant feedback for continuous improvement.
