SUMMARY

Compassionate and dedicated Licensed Practical Nurse with over three years in home health care and clinical settings. Proficient at executing patient care plans while maintaining accurate medical documentation and fostering strong patient relationships. Committed to providing high-quality nursing services, enhancing patient experiences, and driving improved health outcomes. Strong collaborative spirit enables effective teamwork, ensuring consistent delivery of excellent care tailored to each patient's needs. Ready to embrace new challenges and contribute positively within a supportive healthcare environment, making a difference in patients' lives.

EXPERIENCE

Licensed Practical Nurse

CareWell Home Health 📅 April 2024 - Present 📍 Oak Park, IL

As a Licensed Practical Nurse, responsible for conducting thorough nursing assessments and developing personalized care plans based on individual patient needs. Administer medications as prescribed and educate patients and families about health management, optimizing their understanding and adherence to treatment protocols. Collaborate consistently with multidisciplinary teams to enhance patient care outcomes.

- Conduct nursing assessments that lead to individualized care plans.
- Administer prescribed medications and monitor patient responses effectively.
- Educate and empower patients and families regarding care procedures.
- Enhance collaboration with healthcare teams for comprehensive patient care.

LPN

HealthFirst Medical Center 📅 June 2023 - March 2024 📍 Chicago, IL

Provided essential nursing care in a bustling clinical environment, striving to maintain high standards of patient care amidst the dynamic healthcare setting. Contributed to managing patient records and supporting senior nurses during various clinical procedures. Gained practical experience in team-focused approaches to delivering patient care efficiently.

- Offer responsive nursing care amid high-volume patient interactions.
- Assist in managing vital clinical records accurately.
- Support senior nurses by participating in numerous healthcare interventions.
- Apply teamwork principles for enhanced patient care delivery.

Clinical Intern

University of Illinois at Chicago 📅 January 2023 - May 2023 📍 Chicago, IL

Assisted skilled nursing staff with direct patient care activities and contributed to daily operational tasks within the healthcare facility. Engaged actively in patient assessments, refining skills in administering care and maintaining precise documentation processes.

- Collaborate with nursing staff to facilitate exceptional patient care.
- Assist in daily operations and provide administrative support seamlessly.
- Perform routine patient assessments, documenting findings accurately.
- Participate in healthcare teams, gaining valuable hands-on experience.

LEADERSHIP & AWARDS

- Recipient of Employee of the Month for outstanding patient care and dedication.
- Recognized for exemplary teamwork and contributions to multidisciplinary collaborations.
