SUMMARY

Litigation claims professional with 9+ years handling personal auto and **commercial auto liability** matters, including more than five years managing full-file litigated injury claims. Coverage analysis, reservation of rights correspondence, liability investigations, legal research, medical documentation, **defense counsel** strategy, expert selection, and settlement evaluation support sound claim outcomes. Clear communication with claimants, attorneys, medical providers, insureds, vendors, and leadership keeps difficult files moving. Claim diaries, indemnity and expense reserves, regulatory documentation, vendor controls, and **Department of Insurance** requirements receive consistent attention. Texas All-Lines and Illinois adjuster licenses, plus an Associate in Claims designation, support immediate contribution to complex litigation operations. Ready to help a claims organization protect policy obligations, financial integrity, and **quality service**.

EXPERIENCE

Senior Litigation Specialist

Red Oak Risk Administrators 📅 January 2025 - Present 📍 Chicago, IL

Leads a mixed portfolio of litigated personal auto and **commercial auto liability** injury claims. Guides file strategy, regulatory documentation, counsel coordination, reserve decisions, vendor review, and examiner development while protecting financial and service outcomes.

- Prioritized litigated auto exposures through diary reviews and jurisdiction-specific compliance checks.
- Partnered with defense counsel on discovery, declaratory judgment matters, **experts**, mediation, and trial positioning.
- Presented coverage positions and evaluations using **police reports, medical specials**, photographs, appraisals, and reserve rationale.
- Resolved disputed liability and injury matters through documented negotiations within appropriate **settlement authority**.
- Audited defense counsel files and vendor invoices, correcting documentation gaps and expense concerns.
- Coached newer examiners on **coverage forms**, reservation letters, regulatory deadlines, and defensible conclusions.

Litigation Claims Adjuster

Northstar Claims Partners 📅 July 2022 - December 2024 📍 Evanston, IL

Managed full-file litigated auto claims from suit notice through resolution, coordinating investigations, coverage review, counsel activity, expert referrals, reserve changes, mediation, and settlement authority across complex injury exposures.

- Managed full-file litigated auto claims from suit notice through resolution and closure.
- Secured **statements** and evidence from insureds, claimants, witnesses, law enforcement, providers, and repair facilities.
- Interpreted policy language, statutes, and **case law** for **coverage** issues and reservation correspondence.
- Maintained indemnity and **expense reserves** as treatment, negligence, venue, and defense recommendations changed.
- Evaluated **field investigators** and medical or accident reconstruction experts against defined factual questions.
- Negotiated with plaintiff and **defense counsel** using organized exposure summaries for settlement authority.

Senior Auto Claims Examiner

Meridian Auto Assurance 📅 January 2020 - June 2022 📍 Oak Park, IL

STRENGTHS

- 🔍 **Coverage Judgment**
On difficult liability files, connected policy language with facts and statutes, giving leadership clear options for defensible decisions.
- 🔍 **Investigation Discipline**
When evidence arrived in pieces, built complete files from statements, reports, records, photographs, and appraisals for stronger evaluations.
- 👥 **Counsel Collaboration**
Worked through case strategy with defense counsel and experts, turning uncertain next steps into practical plans for mediation or trial.
- 💬 **Negotiation Clarity**
Explained injury exposure and valuation plainly during tense discussions, helping claimants, attorneys, and leaders reach workable resolutions.
- 📁 **File Stewardship**
Made diary reviews and activity notes useful again, giving teams visible deadlines, reserve rationale, and a reliable path toward closure.

PROJECTS

Complex Auto Liability Resolution Program 📅 2024

A difficult injury file became a practical study in disciplined claim strategy. Built evaluation workflows linking coverage, medical specials, comparative negligence, venue risk, reserves, counsel input, and settlement authority for more consistent resolution decisions.

Defense Counsel File Review Initiative 📅 2023

File audits revealed small documentation gaps that could become expensive later. Created review checkpoints for diary quality, activity notes, vendor invoices, defense strategy, expert referrals, and regulatory compliance across litigated auto matters.

LEADERSHIP & AWARDS

- Received Associate in Claims designation from The Institutes in 2021 after focused study in claim handling and insurance practice.
- Selected to coach newer examiners on coverage analysis, reservation letters, regulatory deadlines, and defensible file conclusions.
- Earned senior-level responsibility for complex personal and commercial auto litigation portfolios through sustained claim quality and sound judgment.
