EXPERIENCE

Medical Assistant

Healthy Life Medical Center 📅 January 2025 - Present 📍 Peoria, IL

Process-oriented Medical Assistant focused on enhancing patient care operations within a team environment. Facilitate patient flow efficiently and confidently manage exam preparations.

- Assist healthcare providers with examinations and procedures for optimal patient comfort and safety.
- Manage patient flow by escorting patients, preparing them promptly for examinations, and ensuring accurate documentation of vital signs.
- Maintain cleanliness and organization of treatment areas following health and safety regulations diligently.
- Engage proactively with patients addressing questions and delivering information about available services.

Intern Medical Assistant

Springfield Community Hospital 📅 June 2024 - December 2024 📍 Springfield, IL

Energetic Intern Medical Assistant supporting the medical team in various capacities while gaining invaluable first-hand experiences in patient care.

- Assisted in patient check-in processes while meticulously documenting important patient data.
- Conducted preliminary assessments and collected vital signs under the watchful direction of experienced staff members.
- Participated in essential training programs covering both medical protocols and high standards for patient care.

STRENGTHS

- 😊 **Patient Engagement**
Interacted warmly with patients, simplifying complexities that allowed for effective communication and building trust.
- 🔄 **Adaptability**
Thrived in fast-paced settings, adjusting plans quickly without compromising patient care quality.
- 👥 **Collaboration**
Worked alongside diverse teams ensuring that comprehensive patient needs were met effectively and compassionately.
- 🔍 **Attention to Detail**
Focused on maintaining a clean environment which enhanced overall patient experiences during their visits.
- 💡 **Problem Solving**
Quickly analyzed situations to facilitate rapid responses and ensure that patient care remained uninterrupted.
