STRENGTHS

- ✔ **Attention to Detail**
Carefully review all claims and coding submissions, allowing colleagues to rely on clear and accurate documentation.
- 💡 **Problem Solver**
Identify and correct discrepancies in billing processes, gaining trust from clinical peers and leadership alike.
- 👥 **Team Collaboration**
Build strong relationships with coworkers to foster an efficient workflow, notably improving our coding turnaround times.
- 💬 **Effective Communicator**
Discuss complex coding topics with staff and stakeholders in a straightforward manner, bridging gaps in understanding.
- 🔄 **Adaptability**
Thrive in fast-paced coding environments, ready to adjust to shifts in guidelines and practices to stay compliant.

SUMMARY

Dedicated Medical Billing Coding Analyst with over three years of expertise in oncology coding and billing. Skilled at assigning precise ICD and CPT codes that comply with reimbursement standards, thereby enhancing claims accuracy. Efficiently manages billing functions while ensuring patient confidentiality and ethical practices. Proven ability to analyze reports and collaborate with team members for optimal performance. Committed to continuous learning and improvement within dynamic healthcare settings. Eager to contribute skills in a supportive environment like The Coding Solutions Group, fostering patient care through effective billing processes.

EXPERIENCE

Medical Billing Coding Analyst

Health Billing Solutions 📅 June 2023 - Present 📍 Dallas, TX

Leading billing processes and coding operations with minimal supervision in a fast-paced environment. Ensures timely claim submissions and accurate classifications for patient accounts.

- Execute independent coding duties, optimizing claim submission timelines without sacrificing accuracy.
- Assign appropriate billing codes resulting in higher claim acceptance and improved revenue flow.
- Collaborate effectively with quality assurance teams to verify charge amounts and address discrepancies.
- Analyze daily reports for departmental efficiency improvements, leading to smoother inter-departmental workflows.
- Monitor Missing Ticket Reports weekly, contributing to a significant reduction in claim rejections.
- Act as communication bridge between clinical staff and billing departments to resolve issues promptly.

Junior Coding Specialist

Oncology Coding Associates 📅 March 2020 - May 2023 📍 Fort Worth, TX

Supported the oncology coding team by reviewing, recording, and correcting various coding entries to maintain compliance standards. Enhanced coding accuracy and operational efficiency.

- Reviewed and documented ICD and CPT codes thoroughly to uphold quality in oncology services.
- Assisted in coding hospital-related tickets, achieving an impressive accuracy rate throughout tenure.
- Engaged with quality assurance processes by auditing coding files and identifying areas for improvement.
- Trained peers on coding software and practices, uplifting overall departmental knowledge.
- Participated in crucial monthly audits, ensuring adherence to all relevant federal regulations.
- Maintained open lines of communication with physicians to clarify documentation needs.

LEADERSHIP & AWARDS

- Excellence in Medical Billing Award from Health Billing Solutions in 2025.
- Top Coder Recognition at Oncology Coding Associates for maintaining high accuracy rates year-over-year.

EDUCATION

Associate of Applied Science in Health Information Management

Dallas College 🎓 GPA: 3.8 📅 2026 📍 Dallas, TX

Coursework: Health Informatics, Coding Standards, Ethics in Healthcare, Patient Privacy
