STRENGTHS

- ✓ **Organizational Skills**
Enhanced scheduling efficiency through meticulous tracking of appointments and therapist availability, boosting office coordination.
- 💬 **Communication**
Built rapport with patients enabling increased comfort during visits and resolving concerns effectively, resulting in praise from peers.
- 💻 **Technical Proficiency**
Utilized various EMR systems including Raintree, streamlining patient data management procedures and reducing processing time.
- 🔄 **Adaptability**
Thrived in dynamic environments, seamlessly adjusting priorities amidst shifting schedules and unexpected demands.
- 👥 **Team Collaboration**
Partnered with both administrative staff and clinical teams, fostering cohesive operations that improved service delivery.

EXPERIENCE

Capstone Project Developer

University Project 📅 January 2026 - Present 📍 Remote

Focused on building a comprehensive scheduling system prototype for a fictional healthcare clinic. Designed to enhance appointment utilization and optimize patient flow.

- Developed a structured scheduling framework that improves appointment allocation across therapists.
- Utilized Microsoft Excel and Raintree Connect, establishing an intuitive dashboard for scheduling oversight.
- Conducted feedback sessions with peers to refine functionalities and boost user engagement.
- Documented the project's workflows, ensuring adherence to healthcare standards and best practices.
- Presented findings to faculty, emphasizing the significance of efficient scheduling on patient experience.
- Collaborated closely with team members to mirror real-world healthcare operations.

Research Assistant

MY CAREER

● Capstone Project Developer
at University Project (6 Months)

● Research Assistant at
University Research Lab (3
Months)

Supported research initiatives aimed at improving patient intake QPH aspects within diverse healthcare settings, working alongside faculty and peers.

- Assisted in data analysis related to patient scheduling trends and cancellation patterns to generate actionable insights.
- Maintained records in compliance with ethical research standards while contributing to meaningful study results.
- Participated in weekly reviews to discuss research findings and potential impactful changes on front desk strategies.
- Drafted thorough reports outlining research conclusions along with recommendations for practical application.
- Engaged in academic conferences to showcase findings and promote health operations awareness.
- Cultivated professional networks through active participation and presentations during research discussions.

LEADERSHIP & AWARDS

- Honors Award for Outstanding Academic Achievement in Health Administration
- Volunteer Service Recognition from Local Health Fair Committee

CERTIFICATIONS

- Certified Medical Administrative Assistant (CMAA) 📅 2025
- HIPAA Certification 📅 2025

PROFESSIONAL AFFILIATIONS

- Member of National Association of Medical Receptionists
- Participant in University Health Administration Club
