SUMMARY

Dedicated Merchandise Associate with over 2 years of experience in retail environments, specializing in inventory management and customer service. Proven ability to organize merchandise efficiently and assist in daily operations to enhance store productivity. Skilled in operating pallet jacks and forklifts, ensuring safety and adherence to organizational standards. Committed to maintaining a clean and welcoming shopping atmosphere for customers, facilitating smooth store operations while supporting team initiatives and promotional efforts.

EXPERIENCE

Merchandise Associate

Retail Solutions Inc.

June 2025 - Present

Springfield, OH

Role involves stocking shelves, organizing merchandise, and enhancing the shopping experience by ensuring product availability. Primarily supports daily operations with emphasis on safety standards and customer satisfaction.

- Engaged in daily stock replenishment, ensuring shelves are organized and fully stocked to enhance the customer shopping experience.
- Utilized pallet jacks for unloading deliveries, maintaining safety protocols during stock handling.
- Assisted in rotating inventory to minimize waste, contributing positively to customer satisfaction.
- Collaborated with team members for promotional displays, resulting in successful sales initiatives.
- Maintained cleanliness and organization of sales floor, upholding company standards for a safe environment.
- Provided exceptional service, assisting customers in locating products and addressing inquiries.

Stocking Associate

Retail Experience Group

August 2024 - May 2025

Lebanon, OH

Supported operational tasks by unloading trucks and moving merchandise to the sales floor. Focus on product accessibility and customer interaction.

- Handled unpacking responsibilities by unloading trucks, instantly increasing product availability for customers.
- Implemented inventory rotation techniques, preventing expired goods and enhancing overall freshness.
- Strengthened backroom organization, smoothing the stocking process and boosting team efficiency.
- Interacted with customers, providing product information and support, fostering positive experiences.
- Contributed to the setup of promotional displays, realizing increased visibility and sales enhancements.
- Operated equipment like forklifts safely during stock activities while following safety measures.
