

SUMMARY

Detail-oriented merchandiser specializing in retail environments, focused on enhancing customer satisfaction and maintaining product quality. Proven ability to establish strong relationships with customers and suppliers while ensuring compliance with company standards. Demonstrated expertise in inventory management through the use of technology for operational efficiency, executing merchandising strategies effectively. Recognizing the significance of creating engaging displays and executing first-in, first-out stocking systems plays a crucial role in minimizing waste and maximizing availability. Committed to fostering a collaborative team environment and contributing exceptionally to organizational success and customer loyalty.

EXPERIENCE

Merchandiser

Retail Solutions LLC

May 2025 - Present

Boise, ID

- Managed multiple retail locations with a focus on optimizing inventory levels and product availability. Collaborated with store teams to ensure operational success while enhancing customer experience.
- Ensured all retail locations are stocked according to established guidelines, enhancing product availability and elevating customer satisfaction.
 - Developed robust relationships with store management to facilitate effective communication and operational efficiency within the team.
 - Utilized mobile technology daily to manage inventory, streamline updates, and ensure compliance with brand standards.
 - Conducted regular inspections of back stock areas, upholding safety standards for continuous accessibility by team members.
 - Implemented first-in, first-out (FIFO) stocking techniques actively to maintain product freshness and significantly reduce waste.
 - Engaged in team meetings consistently, sharing insights and collaborating effectively on promotional strategies to enhance sales.

Sales Support Associate

Beverage Distribution Co.

June 2024 - April 2025

Nampa, ID

- Supported a dynamic sales environment by managing inventory and ensuring visual merchandising upheld company standards. Led training initiatives that immersed new staff into key operational protocols.
- Assisted in assessing inventory levels, helping to replenish products, and guaranteeing strategic placement driving overall sales efficiently.
 - Worked closely with sales teams to execute eye-catching promotional displays, ensuring they aligned with visual merchandising standards.
 - Trained newly hired staff thoroughly, covering inventory management concepts and pertinent customer service protocols essential for success.
 - Monitored product quality diligently, reported discrepancies resulting in swift resolutions and improved customer satisfaction.
 - Engaged well with customers, collecting feedback that informed enhancements to overall service delivery and sales effectiveness.
 - Maintained an exceptionally clean and organized work environment, positively impacting workplace safety and operational efficiency.

Research Assistant

Academic Research Lab

September 2023 - May 2024

Magic City, ID

- Actively contributed to significant research efforts focused on consumer behaviors in beverage marketing, providing analytical support and collaborative input during presentations.
- Contributed valuable insights to research projects aimed at understanding consumer behavior regarding beverage purchasing trends.
 - Provided assistance with data collection and analysis that enriched ongoing research efforts contributing greatly to project advancements.
 - Collaborated proactively with faculty and peers to present focused findings at academic conferences, showcasing impactful outcomes.
 - Utilized statistical software efficiently to analyze data patterns, presenting insights beneficial for both research progress and related discussions.
 - Supported organizational efforts in workshops geared towards improving methodologies and necessary data presentation skills.
