STRENGTHS

- Team-oriented mindset**
Frequently sought after by colleagues for guidance on complex welding tasks, fostering group success.
- Effective communicator**
Regularly collaborates with project managers, articulating project requirements and addressing issues clearly.
- Adaptable worker**
Shifts smoothly between various welding tasks, accommodating changing project demands without sacrificing quality.
- Safety advocate**
Actively promotes safety culture, contributing to workshops that have raised awareness among peers.
- Quality-focused**
Inspects own work rigorously, advocating for high-quality outputs that meet client specifications.

SUMMARY

Dedicated welding professional with over 4 years of experience in fabrication and MIG welding. Skilled in executing complex welding projects while adhering to safety protocols and maintaining high-quality standards. Proven ability to work effectively in team environments and travel to various job sites as needed. Known for collaborating with team members on diverse tasks, ensuring exceptional project delivery and supporting team achievement. Regularly conducted inspections for quality assurance and focused on continuous improvement processes, leading to enhanced operational productivity. Committed to consistent learning and implementing feedback from peers to foster a strong safety culture.

EXPERIENCE

Welder/Fabricator

Steel Fabricators Inc. 📅 June 2022 - Present 📍 Bakersfield, CA

Lead fabricator at Steel Fabricators, focusing on welding quality and efficiency across multiple projects.

- Executed MIG welding tasks with precision, enhancing overall project quality and adherence to specifications.
- Collaborated with project managers and engineers optimizing processes for timely project completion.
- Maintained high safety standards by enforcing guidelines and performing regular safety audits.
- Trained and mentored new hires in advanced welding techniques and operations for seamless integration into the team.
- Streamlined documentation practices for project progress and compliance, ensuring accurate reporting.
- Engaged in routine inspections pre-delivery, improving reliability and customer satisfaction.

Welder

WeldTech Services 📅 March 2021 - May 2022 📍 Riverside, CA

Contributed skilled welding services for commercial structural projects while promoting a safety-first approach.

- Performed MIG welding on numerous projects, consistently meeting rigorous industry standards for quality.
- Participated actively in project planning meetings to address equipment and material needs.
- Ensured proper use of personal protective equipment during all phases to maintain safe working conditions.
- Coordinated logistics for job site setups, enhancing operational effectiveness.
- Managed inventory checks for materials, collaborating to prepare timely orders with suppliers.
- Completed safety training regularly to cultivate a more profound safety culture within the workplace.

Welder Trainee

Precision Welding Co. 📅 January 2020 - February 2021 📍 San Diego, CA

Gained foundational skills in MIG welding while supporting senior welders on various client projects.

- Assisted in component preparation and assembly, understanding workflow efficiencies firsthand.
- Learned to operate welding machinery under careful supervision, fostering hands-on expertise.
- Engaged actively in discussions around safety practices during team gatherings.
- Shadowed experienced welders to grasp detailed approaches to quality control.
- Completed practical training modules on safety regulations aligned with industry expectations.
- Developed knowledge of equipment maintenance ensuring readiness for production demands.

MY CAREER

- Welder/Fabricator at Steel Fabricators Inc. (4.2 Years)
- Welder at WeldTech Services (1.2 Years)
- Welder Trainee at Precision Welding Co. (1.1 Years)

LEADERSHIP & AWARDS

- OSHA 10-Hour General Industry Certification, received in 2021
- MIG Welding Certification, obtained in 2020

EDUCATION

Certificate in Welding Technology

Community College of Southern California 🎓 GPA: 3.7 📅 2020 📍 Los Angeles, CA

Coursework: Welding Techniques, Safety Compliance, Fabrication Processes, Equipment Maintenance

CERTIFICATIONS

- OSHA 10-Hour General Industry Certification 📅 2021
- MIG Welding Certification 📅 2020

TECHNICAL SKILLS

- **Welding Techniques:** MIG Welding, TIG Welding, Stick Welding
- **Safety Certifications:** OSHA, First Aid, Forklift Operation
- **Fabrication Tools:** Plasma Cutter, Welding Machines, Metal Shears
- **Inspection Methods:** Visual Inspection, Ultrasonic Testing, Radiographic Testing
- **Material Knowledge:** Steel, Aluminum, Stainless Steel
- **Personal Protective Equipment:** Respirators, Safety Glasses, Gloves
- **Project Management:** Scheduling, Resource Allocation, Team Coordination
- **Quality Assurance Standards:** ISO 9001, AWS D1.1, ANSI Standards
- **Training & Development:** Onboarding, Workshop Facilitation, Peer Mentoring
- **Maintenance Protocols:** Routine Checks, Tool Calibration, Equipment Repair

PROFESSIONAL AFFILIATIONS

- Member, American Welding Society since 2021
- Volunteer, Local Community High School Welding Program, mentoring students
