

Heidi Parrish

MRI Technologist

 (561) 555-1234  heidi.parrish@email.com  linkedin.com/in/heidiparrish  1234 Maple Avenue, Boca Raton, FL 33432

STRENGTHS

-  **Patient-Centric Approach**
Always prioritize patient comfort, leading to increased satisfaction and trust.
-  **Team Collaboration**
Worked closely with multidisciplinary teams, boosting collective problem-solving effectiveness.
-  **Safety Compliance**
Consistently adhere to protocols, reinforcing workplace safety and excellence in care.
-  **Adaptability**
Easily adjust strategies based on evolving clinical conditions or technology updates.
-  **Continuous Improvement**
Passion for ongoing learning shaped by proactive engagement in quality projects.

SKILLS

- MRI Imaging
- Patient Care
- Quality Assurance
- Medical Documentation
- Equipment Maintenance
- Team Collaboration
- Radiography
- Clinical Protocols
- Customer Engagement
- Technical Troubleshooting
- Communication Skills
- Workflow Optimization
- Electronic Medical Records
- Continuous Learning
- Healthcare Regulations
- Interdepartmental Coordination

SUMMARY

Dedicated MRI Technologist committed to providing excellent imaging services for diverse patient populations. Skilled in all aspects of MRI procedures, consistently ensuring quality images while adhering to safety protocols. Collaborates seamlessly with healthcare teams to enhance patient outcomes through effective communication and holistic care. Eager to leverage expertise and contribute to continuous quality improvement initiatives at HealthCare Solutions Inc., aiming for optimal customer satisfaction. Holds certifications including ARRT and ARMRT, reflecting a commitment to both professional development and exceptional patient care in every interaction.

EXPERIENCE

MRI Technologist

Radiology Associates  January 2025 - Present  Fort Lauderdale, FL

- Manages MRI operations, performing thorough assessments and comparisons for high-quality outputs. Ensures strict adherence to safety standards and proactively resolves equipment issues, leading to consistent compliance with industry regulations. Collaborates with radiologists for enhanced imaging strategies and contributes to departmental improvements through active participation in quality assurance initiatives.
- Conducted myriad MRI procedures across all age groups, guaranteeing quality and safety.
 - Collaborated effectively with radiologists to optimize imaging techniques and improve care delivery.
 - Participated actively in quality improvement processes enhancing operational efficiency.
 - Maintained MRI equipment meticulously, addressing issues promptly to ensure safety.
 - Educated patients on procedures, ensuring clarity and comfort.
 - Accurately documented interactions and imaging results within electronic clinical records.

Radiologic Technologist

Imaging Center of South Florida  June 2024 - December 2024  Boca Raton, FL

- Executed radiographic examinations while assisting in the MRI department, maintaining diligence with regulatory compliance. Built relationships with patients, prioritizing their comfort during imaging processes. Contributed widely to team goals by participating in meetings aimed at continuous service improvement, advocating effective workflows.
- Performed various radiographic exams, ensuring standards were met alongside MRI tasks.
 - Developed strong rapport with patients, easing procedural anxieties through transparent explanations.
 - Engaged in continual education to stay abreast of evolving imaging technologies.
 - Managed supply inventory diligently while upholding safety regulations.
 - Documented feedback systematically to influence departmental progress.
 - Enabled timely, accurate imaging that supported interdisciplinary patient care.

LEADERSHIP & AWARDS

- Dean's List, Florida College of Health Sciences, 2023
- Student Excellence Award in Radiologic Technology, 2024

EDUCATION

Associate of Science in Radiologic Technology

Florida College of Health Sciences  GPA: 3.8  2024  Boca Raton, FL

Coursework: *Imaging Techniques, Patient Care, Radiographic Procedures, Quality Assurance*

CERTIFICATIONS

- ARRT Registered Technologist - Magnetic Resonance Imaging  2024
- ARMRT MRI Technologist  2024

Spanish	Proficient

MY CAREER

● MRI Technologist at
Radiology Associates (1.5
Years)

● Radiologic Technologist at
Imaging Center of South Florida
(6 Months)

- Certified Radiologic Technologist 📅 2024
- Basic Life Support Certification 📅 2024

TECHNICAL SKILLS

- **Imaging Equipment:** MRI Scanner, X-Ray Machine, CT Scanner
- **Quality Control Methods:** Standard Operating Procedures, Calibration, Performance Assessment
- **Patient Management Systems:** Electronic Health Records, Patient Scheduling, Clinical Workflow Solutions
- **Regulatory Standards:** HIPAA Compliance, State Regulations, OSHA Guidelines
- **Emergency Response Protocols:** Basic Life Support, Advanced Trauma Life Support, CPR Training
- **Radiologic Technologies:** Ultrasound, Mammography, Fluoroscopy
- **Professional Development:** Continuing Education, Workshops, Conferences
- **Infection Control Practices:** Sterilization Techniques, Personal Protective Equipment, Safety Protocols
- **Communication Tools:** Patient Education Materials, Reporting Software, Team Meeting Platforms
- **Collaboration Platforms:** Microsoft Teams, Zoom, Project Management Tools

PROFESSIONAL AFFILIATIONS

- Member, Radiologic Technology Student Association, 2022-2024
- Volunteer, Health Fair for Underprivileged Communities, 2023
