Excited about opportunities to collaborate within a dynamic team environment and drive operational excellence through best practices and efficient workflow. Committed to maintaining high standards of cleanliness, organization, and safety, contributing positively to the overall shop atmosphere.

EXPERIENCE

Multicare Technician

LubeTech Services  June 2025 - Present  Salt Lake City, UT

As a Multicare Technician at LubeTech, responsible for performing detailed vehicle services, focusing on inspection and repair while promoting customer care and safety compliance. This role involves leadership in fostering safety standards and driving efficiency across collaborative support operations and technical student programs.

- Conducted detailed vehicle diagnostics and comprehensive inspections ensuring timely services.
- Performed Emissions/Safety Technician duties as required, meeting diverse client needs effectively.
- Collaborated closely with teams to uphold OSHA and EPA guidelines, maintaining a safe working space.
- Assisted new technicians in onboarding and training, instilling core responsibilities and safety practices.
- Maintained cleanliness and functionality of tools, equipment, and overall facility appearance.
- Engaged customers warmly, resolving inquiries quickly, thus elevating their service experience.

Lube Technician

AutoCare Solutions  March 2024 - May 2025  Orem, UT

Worked as a Lube Technician focused on maintaining high-quality service delivery while ensuring safety compliance in daily operations. Demonstrated proactive problem-solving capabilities which fostered positive relationships with clients and team members.

- Delivered exceptional maintenance services, consistently adhering to stringent safety guidelines.
- Diagnosed vehicles swiftly through thorough inspections, communicating findings clearly to patrons.
- Contributed to workplace safety, playing an active part in promoting a clean and organized service area.
- Participated in ongoing training aimed at skills enhancement and advanced certifications.
- Managed inventory efficiently, ensuring availability of necessary supplies for optimal operations.
- Achieved high levels of customer satisfaction acknowledged through positive feedback.

Service Assistant

QuickLube Center  June 2023 - February 2024  American Fork, UT

Served as a Service Assistant responsible for supporting team operations while cultivating strong customer relationships. Involved contributions led to better service efficiency and learning initiatives within the technician team.

- Supported vehicle maintenance tasks under technician supervision, gaining hands-on experience.
- Managed customer scheduling and inquiries, accentuating service workflow and efficiency.
- Ensured the service area remained pristine, prioritizing safety within recreation environments.
- Shadowed seasoned technicians, facilitating skill acquisition in automotive repair procedures.
- Optionally marketed additional services, contributing to overall business sales growth.
- Collaborated with team members to meet shared monthly objectives successfully.
