SUMMARY

As a Nurse Manager with over four years of nursing experience, including two years in supervision, dedicated to enhancing patient care and staff development. Created strong team dynamics by implementing training programs alongside the Director of Nursing, while conducting regular assessments of care quality. Engaged in continuous communication with administration regarding care standards and satisfaction levels, ensuring compliance with regulations. Committed to fostering a collaborative environment that prioritizes resident well-being through excellent nursing practices.

EXPERIENCE

Nurse Manager

CareWell Nursing Services 📅 January 2024 - Present 📍 Aurora, IL

Overseeing nursing operations with full accountability for managing a diverse team of professionals. Implementing processes that ensure adherence to healthcare regulations while improving operational efficiencies.

- Supervise 15 nursing staff while ensuring high standards of care delivery and compliance.
- Conduct routine rounds to evaluate patient care effectiveness and identify areas for enhancement.
- Collaborate closely with the Director of Nursing on staff training initiatives to promote excellence.
- Coordinate interdisciplinary team meetings, boosting communication effectiveness among staff.

Registered Nurse

Green Valley Health Center 📅 June 2021 - December 2023 📍 Naperville, IL

Provided skilled nursing care within a multidisciplinary team focused on delivering individualized treatment plans tailored to residents' needs.

- Administered personalized nursing care, ensuring residents received optimal health management.
- Participated in the training and integration of new nursing personnel into established protocols.
- Responded efficiently to urgent medical situations, administering care and engaging emergency services as needed.
- Promoted family involvement in care discussions to foster transparency and reassurance.

Staff Nurse

Sunny Acres Assisted Living 📅 January 2020 - May 2021 📍 Evanston, IL

Delivered direct and compassionate care while adhering to regulatory standards in a fast-paced assisted living facility.

- Managed medication administration while closely monitoring residents' conditions and reactions.
- Worked diligently to maintain cleanliness and safety within the nursing unit.
- Engaged families in ongoing conversations about their loved ones' wellbeing and care strategies.
- Supported team efforts by sharing insights and addressing challenges during daily briefings.
