STRENGTHS

-  **Patient Engagement**
Fostered collaborative relationships with patients, ensuring they felt valued about their health decisions and pathways I guided them towards.
-  **Collaborative Care**
Built strong ties with fellow healthcare team members, leading to seamless transitions and better coordination on shared objectives for patients.
-  **Telehealth Proficiency**
Increased telemedicine utilization, especially during challenging times, significantly elevating the participation level and maintaining high-grade patient oversight.
-  **Quality Improvement Advocacy**
Drove initiatives at key points within roles that ensured compliance standards were not only met but exceeded in delivery of care.
-  **Continuous Learning**
Pursued ongoing education reflecting responsiveness to new trends in healthcare challenges, making immediate impacts grounded in the latest information.

SKILLS

- Patient-Centered Care
- Electronic Health Records (EHR)
- Chronic Disease Management
- Telehealth Services
- Medication Management
- Team Collaboration
- Clinical Assessments
- Regulatory Compliance

SUMMARY

Compassionate and dedicated Nurse Practitioner with over four years of experience delivering patient-centered care in skilled nursing facilities. Proven ability to cultivate strong relationships with patients, ensuring continuity in care and promoting trust among healthcare teams. Skilled in electronic health record management and leveraging advanced medical technologies to improve operational workflows and enhance patient outcomes. Adept at assessing complex health issues, developing effective treatment plans, and collaborating with interdisciplinary teams. Eager to join Theoria Medical and contribute to its mission of providing exceptional healthcare for vulnerable populations.

EXPERIENCE

Nurse Practitioner

HealthBridge Medical  January 2024 - Present  Chicago, IL

- Oversee day-to-day patient care within a reputable skilled nursing facility, delivering comprehensive services tailored to residents' needs. Collaborate closely with multidisciplinary professionals, enhancing care coordination to significantly improve patient outcomes and satisfaction.
- Conduct thorough daily rounds, addressing acute and chronic conditions for improved patient health.
 - Implement innovative approaches to patient education, fostering wellness and empowering residents in managing their care.
 - Work collaboratively with nurses and specialists, leading to decreased hospitalization rates through proactive health strategies.
 - Utilize telehealth solutions effectively, providing remote consults and guidance that increase patient engagement.
 - Mentor junior staff on clinical best practices and protocols, creating an environment focused on growth and excellence.
 - Actively participate in quality improvement initiatives, consistently working towards compliance with regulatory standards.

Nurse Practitioner

Greenwood Health  June 2021 - December 2023  Chicago, IL

- Delivered compassionate care to a diverse population in a skilled nursing context while emphasizing chronic disease management and preventive health measures. Understood unique patient dynamics, adjusting care plans accordingly to promote holistic well-being.
- Facilitated telehealth programming, successfully guiding patients throughout the pandemic, which resulted in improved health access.
 - Designed engaging educational programs promoting lifestyle changes that supported better health for multiple patient groups.
 - Led quality improvement projects, which enhanced adherence to clinical policies and improved overall service delivery.
 - Provided training to nursing staff regarding medication management, substantially improving patient safety under medications.
 - Staying abreast of current clinical guidelines facilitated more informed decision-making within treatment contexts assigned.
 - Encouraged open communication between patients and providers to enhance transparency and trust within the care process.
