SUMMARY

Dedicated Occupational Therapist focused on pediatric care and outpatient settings. Holds a California Occupational Therapist License and National Provider BLS certification. Strong track record in evaluating and administering therapy programs that restore function, prevent disability, and enhance quality of life for patients. Experienced in delivering individualized patient-centered care and implementing collaborative treatment strategies. Committed to ongoing professional development and fostering partnerships across healthcare disciplines to optimize rehabilitation outcomes and improve the overall well-being of each patient served.

EXPERIENCE

Occupational Therapist

Healthy Horizons Medical Center 📅 June 2024 - Present 📍 Lakewood, CA

Tasked with managing occupational therapy services within a multidisciplinary team, providing patient evaluations and personalized therapy plans that enhance functional capabilities and independence.

- Developed and executed targeted therapeutic programs designed for pediatric patients, leading to improved motor skills and adaptive techniques.
- Collaborated across various disciplines including physicians and nurses to create all-encompassing progress plans, enhancing communication and teamwork.
- Monitored patient progress through consistent evaluations, adjusting treatment protocols based on individual needs and goals to ensure optimal outcomes.
- Actively participated in performance improvement initiatives, streamlining therapeutic procedures and contributing to safety measures across treatments.
- Mentored Occupational Therapy Assistants and students by offering guidance, sharing knowledge, and cultivating a collaborative learning atmosphere.
- Engaged families by teaching home care strategies and facilitating discussions on therapeutic exercises, thus promoting sustained growth and adaptation.

Occupational Therapist

Sunnyvale Rehabilitation Center 📅 August 2022 - May 2024 📍 Sunnyvale, CA

Involved in the implementation of customized rehabilitation programs that cater to individual patient's recovery journey, focusing on restoring as much functionality as possible post-injury or surgery.

- Crafted tailored occupational therapy plans for individuals recovering from rigorous interventions, ensuring a focus on gradual enhancement of functional capacities.
- Led engaging group therapy sessions aimed at fostering social skills and peer support among pediatric clients, building community within care.
- Conducted compliance audits linked to departmental activities, guaranteeing alignment with health and safety regulations to protect patient welfare.
- Applied evidence-based practices frequently to achieve heightened effectiveness in physical intervention strategies and improve patient satisfaction.
- Maintained rigorous documentation reflecting client progress and feedback, supporting effective clinical judgments and care planning.
- worked closely with other therapists to formulate integrated treatment modalities, addressing comprehensive needs of patients for effective healing.

Occupational Therapy Intern

Green Valley Health Clinic 📅 January 2022 - July 2022 📍 San Diego, CA

Gained firsthand experience in assisting certified professionals during comprehensive therapy sessions, gaining vital insights into effective practice models within diverse patient demographics.
