STRENGTHS

- ♥️ **Empathy**
Published insights on human behavior at work. Understanding different perspectives foster trust, yielding better outcomes.
- 👥 **Collaboration**
Coordinated efforts among colleagues in various departments. This unification improved communication channels and reduced misinformation.
- 🚑 **Patient Advocacy**
Served as a resource for associates navigating health challenges. Recognized as a go-to person for advice and support.
- 💡 **Problem Solving**
Approached unexpected incidents with calm and strategic thinking. Gained recognition for initiative in crisis situations.
- 🛡️ **Compliance Awareness**
Diligently familiarized oneself with evolving regulations. Proactively communicated updates to teammates, fostering adherence.

SUMMARY

Dedicated health professional with hands-on experience in emergency response and safety operations within industrial environments. Strong grasp of OSHA regulations, first aid protocols, and wellness principles enhances ability to engage effectively with employees and management in fostering a culture of safety. Always eager for continuous learning, it's essential to improve workplace health standards while efficiently addressing safety concerns. Strong advocate for health and well-being, consistently supporting associates through daily interactions. Committed to excellence, while skilled at managing critical situations and guiding individuals toward appropriate resources.

EXPERIENCE

Health and Safety Coordinator

Wellness Solutions Inc. 📅 January 2024 - Present 📍 Fort Wayne, IN

Oversees safety protocols as Health and Safety Coordinator, leading initiatives that prioritize employee wellbeing. Works closely with the site management to bolster safety training and address all related concerns across an organization with over 200 personnel.

- Collaborated with management to enhance safety communication and training programs across the workforce.
- Independently assessed workplace injuries, administering timely first aid and prioritizing quick referrals to medical providers.
- Facilitated weekly meetings focused on promoting safety practices and increasing awareness of potential risks across job functions.
- Documented first aid interventions meticulously, ensuring organizational compliance with all safety regulations.
- Boosted employee morale via effective coaching, creating an environment where safety measures are prioritized and trusted.
- Streamlined workers' compensation processes by developing clear return-to-work strategies tailored to individual needs.

Emergency Medical Technician (EMT)

City Rescue Services 📅 June 2020 - December 2023 📍 Indianapolis, IN

Served as EMT, executing essential medical responses in high-pressure situations alongside diverse healthcare teams, focusing on both technical skill and compassionate patient care.

- Provided immediate emergency medical care, demonstrating composure and efficiency in challenging scenarios.
- Contributed collaboratively with paramedics and hospital staff to streamline patient care and maintain open lines of communication throughout transport.
- Mentored new EMT recruits, sharing best practices and enhancing overall team expertise.
- Engaged in community education initiatives, presenting vital first aid skills and emergency preparedness strategies at public events.
- Conducted regular inspections of medical equipment, ensuring all tools met rigorous safety standards and remained operationally ready.
- Developed accurate incident documentation that facilitated improved reviews and identified potential areas of systemic improvement.
