EXPERIENCE

Clinical Nutrition Intern

University Project 📅 January 2026 - Present 📍 San Antonio, TX

Supported patient nutrition through rigorous assessments and collaborative planning in a clinical internship focused on improvement of health outcomes.

- Conducted comprehensive nutritional assessments for a diverse patient population in a simulated clinical environment.
- Developed individualized care plans that promote recovery and improve health outcomes using evidence-based guidelines.
- Collaborated with a multidisciplinary team to enhance patient satisfaction and service quality in a mock outpatient clinic.
- Delivered educational presentations on nutrition and wellness strategies to peers and faculty, receiving positive feedback for clarity and engagement.
- Participated in QAPI initiatives aimed at improving clinical performance and patient care delivery standards.
- Supported the training of junior interns through mentorship and knowledge sharing during practical sessions.

Nutrition Research Assistant

Academic Research Lab 📅 September 2025 - December 2025 📍 San Antonio, TX

Engaged in vital nutrition research focused on dietary interventions for pediatric patients, contributing significantly towards scientific understanding and community outreach.

STRENGTHS

- ♥️ **Compassionate Patient Care**
Empathetic listener who builds rapport with patients, resulting in improved adherence to nutrition plans.
- 💬 **Effective Communication**
Skilled in breaking down complex nutritional concepts for easy understanding, enhancing patient education efforts.
- 👥 **Collaboration Skills**
Fosters strong partnerships within interdisciplinary teams, driving cohesive patient care and satisfaction improvements.
- 📖 **Research Driven**
Committed to applying evidence-based research for patient treatment strategies. This approach is key to achieving optimal outcomes.
- 👤 **Mentorship Experience**
Actively engages in mentoring fellow interns, fostering their learning and professional growth while building supportive workplace culture.
