EXPERIENCE

Operations Associate, Startup Operations

North Cove Digital Markets 📅 February 2025 - Present 📍 Brooklyn, NY

Own daily workplace operations for a growing digital asset software team, covering office services, recruiting logistics, executive support, equipment, events, vendors, and expansion planning. Provide practical coordination across employees, candidates, leaders, and service providers while converting recurring needs into dependable operating routines.

- Run daily **office operations** across supplies, meals, guests, **equipment**, facilities, and changing workplace needs.
- Maintain laptop **inventory**, coordinate procurement and **repairs**, and prepare equipment for employee transitions.
- Coordinate confidential executive calendars, **business dinners**, and time sensitive scheduling requests with discretion.
- Schedule interviews, candidate arrivals, rooms, and interviewer changes while keeping recruiting records accurate.
- Plan **team events** through vendor selection, setup, closeout, and reusable operating checklists.
- Track office expansion vendors, deliveries, access needs, and employee communications across shifting timelines.

Operations Coordinator, Workplace Services

Beacon Row Advisory 📅 September 2022 - January 2025 📍 New York, NY

Coordinated office services for a client facing professional services team, combining reception, food programs, inventory, recruiting administration, executive scheduling, employee transitions, events, and vendor oversight. Created clearer ownership and repeatable checklists that supported dependable service across competing workplace demands.

- Coordinated **office services**, reception coverage, food programs, **supplies**, and vendor visits for staff.
- Built **inventory** and ordering routines that clarified ownership and reduced last minute supply requests.
- Scheduled interviews and onboarding activities while maintaining accurate candidate and employee records.
- Resolved executive calendar conflicts, confirmed external meetings, and communicated schedule changes discreetly.
- Coordinated **onboarding** and **offboarding** checklists covering equipment, access, workspace readiness, and documentation.
- Managed event **vendors** through written scopes, deadlines, delivery checks, and issue follow up.
