Hiring Manager
Healthy Horizons Rehabilitation Center
San Francisco, CA

Dear Hiring Manager,

I am thrilled to apply for the Outpatient Physical Therapist position at Healthy Horizons Rehabilitation Center, a role that resonates with my experiences, ambitions, and dedication to enhancing patient well-being. This opportunity captivates me for various reasons, particularly the chance to collaborate with a multidisciplinary team to facilitate optimal patient outcomes and implement evidence-based practices, which I am passionate about.

In my current role at CareWell Therapy Center, my efforts have led to a 25% increase in patient satisfaction scores within just six months. I diligently crafted individualized treatment plans based on each patient's unique requirements, pushing boundaries to restore mobility and alleviate pain effectively. Through constant collaboration with physicians, I ensured integrated care that resulted in accelerated recovery times.

With a Doctor of Physical Therapy degree from the University of California, I have cultivated excellent problem-solving skills. My time at Rehab Innovations, where I assisted licensed therapists, taught me the significance of empathy and communication. I supported patients, helping them transition through their rehabilitation journeys while meticulously updating their progress for better treatment adaptations.

Quietly confident and focused, I embrace my ability to share knowledge and insights that genuinely impact patient outcomes. I thrive in collaborative settings, where each team member contributes to creating a nurturing atmosphere tailored to patients' needs. This approach always leads to enriched care and satisfied patients.

With genuine excitement, I look forward to potentially discussing my experiences and views further. Steps taken during my journey emphasize a commitment to ongoing professional development and a collaborative spirit that fosters patient recovery.

Thank you for your consideration.

Sincerely,

Selena Reddy
