STRENGTHS

- 🧠 **Critical Thinking**
Consistently identified patient needs quickly, leading to sans-reactive treatment adjustments, fostering faster recoveries.
- 🗣️ **Effective Communication**
Built rapport with patients and peers, creating an environment where concerns were addressed swiftly and professionally.
- 👥 **Team Collaboration**
Worked seamlessly within multidisciplinary teams, aligning goals to enhance both patient satisfaction and outcomes.
- ❤️ **Empathy**
Recognized unique patient struggles, offering emotional support that boosted morale and encouraged active recovery participation.
- ✂️ **Adaptability**
Quickly adjusted methods as necessary, employing new strategies to tackle diverse patient challenges effectively.

SUMMARY

Dedicated physical therapist with over 2 years of experience in outpatient rehabilitation. Proven ability to develop and implement effective treatment plans tailored to each patient's needs. Demonstrates strong critical thinking and problem-solving skills, ensuring high-quality care throughout the recovery process. Committed to ongoing professional development while utilizing evidence-based practices. Excited about the opportunity to collaborate with a multidisciplinary team, focusing on improving patient mobility and enhancing overall quality of life.

EXPERIENCE

Outpatient Physical Therapist

CareWell Therapy Center 📅 January 2025 - Present 📍 San Jose, CA

As an Outpatient Physical Therapist at CareWell, specialized in creating personalized rehabilitation protocols for diverse patients with various conditions. Actively collaborated with healthcare professionals to ensure cohesive treatment plans that promote optimal recovery outcomes.

- Developed and executed treatment plans prioritizing mobility restoration and pain alleviation.
- Collaborated across disciplines, fostering a unified healthcare approach that benefited patient outcomes.
- Monitored patient progress while adapting therapeutic interventions based on real-time assessments.
- Conducted educational sessions promoting self-management strategies for better patient adherence.
- Maintained comprehensive documentation reflecting patient care processes and outcome improvements.
- Engaged in continuous education and skill enhancement to remain updated with industry best practices.

Physical Therapy Assistant

Rehab Innovations 📅 June 2024 - December 2024 📍 Santa Clara, CA

In this role, supported licensed physical therapists by helping implement treatment strategies and coordinating patient activities within rehab settings.

- Assisted in executing treatment strategies set by physical therapists during patient recovery.
- Provided compassionate support, closely engaging with patients through their rehabilitation journeys.
- Ensured compliance with health standards through maintenance of clean, safe treatment environments.
- Gathered patient data systematically, effectively communicating progress to supervising therapists.
- Facilitated communication channels between patients and healthcare teams, optimizing feedback loops.
- Participated in collaborative meeting discussions centered around enhancing patient care techniques.
