SUMMARY

Dedicated package handler with a solid background in logistics and warehouse duties. Proven expertise ensuring efficient package sorting for on-time delivery while upholding safety measures. Adept at collaborating closely with diverse teams, consistently fostering an atmosphere of mutual respect and support. Recognized for maintaining clean, organized workspaces that ensure smooth operations. Routinely operate forklifts and pallet jacks, actively facilitating cargo movement. Committed to learning and follow-through, striving for continuous improvement in performance standards. Excited to join GLS Logistics to contribute effectively in a part-time capacity.

EXPERIENCE

- Package Handler**
Warehouse Solutions Inc.  June 2025 - Present  Hackensack, NJ
- In role as Package Handler, manage efficient sorting and organization of packages. Support logistical operations while prioritizing safety and adhering to protocols.
- Organize packages systematically to improve throughput times and enhance route efficiency.
 - Collaborate with team members to successfully complete all operational tasks, ensuring timely delivery services.
 - Drive forklifts and operate pallet jacks efficiently for loading and unloading freight, following strict safety procedures.
 - Maintain cleanliness and organization throughout the warehouse to nurture a secure and effective working environment.
 - Uphold exemplary safety standards by complying with established workplace protocols, reducing potential hazards.
 - Assist in monitoring inventory levels by accurately recording shipments and discrepancies.

- Package Handler**
Logistics Express Co.  January 2024 - May 2025  Paramus, NJ
- Functioned as a Package Handler where responsibilities included supporting package sortation processes and ensuring comprehensive service quality.
- Facilitated the successful sorting and routing of packages, guaranteeing prompt and precise deliverables.
 - Maintained high morale and work ethic amid challenging weather conditions through a proactive approach.
 - Conducted regular assessments of operational equipment, documenting maintenance requirements for supervisors.
 - Worked collaboratively with various departments to refine workflow processes aimed at improving package handling efficiency.
 - Participated actively in safety training programs to reinforce the importance of adherence to safety regulations.
 - Provided hands-on training for new employees, equipping them with necessary operational knowledge and safety practices.
