SUMMARY

Paralegal Analyst with nearly four years of progressive legal-services experience supporting retail litigation, commercial contracts, employment matters, regulatory requests, subpoenas, records requests, and legal operations. Manages matter intake, deadline control, file review, project tracking, confidential records, and leadership reporting across fast-moving retail environments. Builds practical structure through **Microsoft Office Suite**, Excel workbooks, standardized workflows, **status reports**, contract summaries, corporate resolutions, and risk analyses. Partners with attorneys, outside counsel, human resources, procurement, risk management, store operations, government contacts, and records custodians. Applies sound judgment when balancing legal requirements with business priorities, while identifying **process improvements** that create clearer handoffs and dependable follow-through. Ready to support a growing legal function with organized **matter management**, thoughtful analysis, and responsive service across litigation, regulatory, employment, and commercial work.

EXPERIENCE

Paralegal Analyst

January 2026 - Present

Meridian Grocers

Chicago, IL

Supports retail litigation, regulatory inquiries, commercial contracts, employment matters, records requests, and legal operations. Owns intake, matter tracking, deadline control, **file review**, leadership reporting, stakeholder coordination, and workflow improvement across 70 active matters.

- Managed **legal intake** and status tracking across 70 retail matters, clarifying **deadlines** and ownership.
- Built an Excel matter workbook with **milestones**, escalation flags, and status fields for counsel visibility.
- Prepared leadership reports covering exposure indicators, discovery progress, outside counsel activity, and upcoming decisions.
- Reviewed pleadings, subpoenas, **contracts**, resolutions, and files, routing deficiencies before response deadlines.
- Coordinated store operations, human resources, **risk**, procurement, counsel, and government contacts through documented communications.
- Drafted an intake checklist and workflow guide after identifying recurring handoff gaps across legal matters.

Paralegal Specialist

July 2024 - December 2025

Harborline Stores

Evanston, IL

Supported **litigation** and **commercial matters** for a regional retailer through calendar management, contract review, records collection, risk analysis, confidential file organization, and weekly reporting. Connected internal teams and outside counsel around deadlines and responsive materials.

- Maintained calendars for service dates, discovery milestones, renewals, approvals, and response obligations.
- Prepared agreement, lease, settlement, and employment summaries that highlighted obligations and business risks.
- Compiled claims, incident, and **subpoena** data in Excel, helping legal teams prioritize recurring store exposures.
- Organized electronic files with naming, access, and retention conventions for efficient discovery retrieval.
- Produced weekly project updates with delayed inputs, emerging issues, completed actions, and corrective steps.
- Coordinated records custodians and outside counsel, confirming production status against court and agency deadlines.

Legal Operations Coordinator

October 2022 - June 2024

Prairie Cart Retail Group

Naperville, IL

Supported **legal intake** and administrative operations across 120 retail locations. Managed contracts, employment questions, customer claims, subpoenas, store disputes, matter logs, contract abstracts, policy research, dashboards, and attorney-ready materials.

- Supported intake for **contracts**, employment questions, claims, subpoenas, and disputes across 120 locations.
- Established a searchable matter log with categories, owners, reminders, and closure notes for legal operations.
- Prepared contract abstracts, resolution packets, correspondence, and meeting materials with accurate version control.
- Reviewed files for missing signatures, inconsistent dates, incomplete exhibits, and unclear business contacts.
- Created Word, Excel, Outlook, and PowerPoint reports that translated legal activity into operating updates.
- Researched retail practices and policies, documenting routine guidance for store, procurement, and human resources partners.

PROJECTS

Retail Legal Matter Control Program 📅 2025

Created a structured matter-control model for retail litigation, contracts, employment questions, and regulatory requests. Combined intake standards, deadline tracking, ownership fields, file controls, and leadership reporting into one practical operating approach.

Store Exposure Analysis Initiative 📅 2024

Analyzed claims, incidents, subpoena activity, and store-level patterns in Excel. Presented findings that helped legal and risk teams focus corrective action on recurring operational exposures.
