STRENGTHS

- Team Collaboration**
Recognized by peers for facilitating team meetings that improved communication strategies, enhancing coordination across departments.
- Patient-Centric Care**
Consistently received feedback from families for dedicating time for doubts and ensuring each child's unique needs were addressed thoughtfully.
- Crisis Management**
Proven aptitude in crisis situations where quick decisions and actions led to successful interventions during emergencies.
- Advocacy Skills**
Engaged with local community leaders, driving initiatives focused on child health education and access to healthcare services.
- Adaptable Learning**
Embraced new learning opportunities; enrolled in workshops to refine newborn care techniques continually.

SUMMARY

Dedicated Pediatrician with comprehensive experience in providing high-quality healthcare to newborns and children. Proven skill in effective collaboration within multidisciplinary teams, ensuring optimal care and support for patients and families. Expertise in newborn resuscitation and inpatient rounding, driven by a commitment to improving patient outcomes and enhancing hospital efficiency. Ability to excel in fast-paced environments while managing multiple responsibilities with professionalism and care. Eager to apply knowledge and skills in a supportive and innovative healthcare setting that values continuous learning and professional development.

EXPERIENCE

Pediatric Resident

Springfield Children's Hospital 📅 June 2025 - Present 📍 Springfield, IL

Overseeing inpatient care and newborn resuscitation services, practicing evidence-based medicine tailored to pediatric needs. Engaging daily with a collaborative team including Advanced Practice Clinicians, nurses, and support staff to ensure timely and appropriate care for all patients. Managing round shifts with excellent communication alongside proactive patient engagement strategies.

- Conducting inpatient rounding for pediatric patients, focusing on personalized care delivery.
- Implementing newborn resuscitation protocols effectively during critical situations, improving survival rates.
- Collaborating seamlessly with multidisciplinary teams to develop coordinated care plans.
- Maintaining open lines of communication among team members and families for enhanced patient experience.

Volunteer Medical Provider

Community Health Fair 📅 August 2024 - May 2025 📍 Springfield, IL

Provided basic health evaluations and consultations to underprivileged children and their families. Engaged community resources to extend care beyond the event, assuring long-term support for health improvement. Utilized teamwork skills to coordinate with local healthcare providers and volunteers effectively.

- Conducted well-child clinics to address common health issues and promote preventive care practices.
- Educated families on developmental milestones and recognized early signs of potential health concerns.
- Assisted in organizing follow-up appointments for ongoing care to strengthen health outcomes.
- Promoted overall wellness through awareness campaigns integrated into everyday interactions with families.

Summer Intern

Rhodes Medical Center 📅 June 2024 - August 2024 📍 Chatham, IL

Supported primary care physicians during consultations, acquiring hands-on experience in pediatric examinations and diagnostics. Observed clinical procedures to build practical knowledge while assisting in administrative tasks to streamline clinic operations.

- Assisted in data collection and entry for pediatric patient records, ensuring accurate information management.
- Participated in educational sessions on effective communication strategies with young patients.
- Engaged in case discussions with healthcare professionals to understand treatment options better.
- Coordinated patient flow effectively to minimize wait times and enhance service delivery.
