### SUMMARY

Dedicated and detail-oriented pharmacist with over four years in oncology pharmacy services. Committed to providing patient-centered care while collaborating with healthcare teams for optimal drug therapy outcomes. Exhibits strong knowledge of pharmacy benefit structures and current practices, emphasizing continuous professional development and patient safety. Recognized for exceptional communication skills and professionalism during patient consultations and interdisciplinary collaboration. Actively seeks professional growth by engaging in continuing education and applying new insights to enhance patient care. Strong focus on minimizing adverse drug effects through diligent monitoring and consultation.

### EXPERIENCE

#### Oncology Pharmacist

HealthFirst Pharmacy 📅 January 2025 - Present 📍 Portland, OR

Oversee oncology pharmacy operations, offering specialized patient-centric services. Collaborate effectively with healthcare providers to optimize pharmacotherapy for individual patients. Lead efforts to ensure safety and compliance in medication practice, focusing on positive therapeutic outcomes.

- Consult with healthcare practitioners to establish effective drug therapy plans tailored for patients.
- Monitor therapeutic outcomes and take swift action to minimize adverse effects associated with drug therapies.
- Educate patients on their medication regimens, enhancing understanding and adherence to prescribed treatments.
- Collaborate with prescribers in addressing queries related to medication selection, ensuring appropriate therapy.
- Promote professional development by identifying practice deficiencies and pursuing continued education opportunities.
- Utilize aseptic techniques for compounding IV additives and chemotherapy preparations, adhering to high safety standards.

#### Clinical Pharmacist

Metro Health Pharmacy 📅 June 2023 - December 2024 📍 Beaverton, OR

Provided comprehensive clinical pharmacy services within an integrated healthcare setting. Focused on improving patient safety and fostering effective medication management strategies aligning with organizational goals.

- Delivered thorough medication reviews that streamlined treatment plans while mitigating risks from polypharmacy.
- Instructed pharmacy interns and support staff, cultivating a supportive educational environment focused on growth.
- Devised systems to improve the safe storage and administration of medications, bolstering regulatory compliance.
- Collaborated closely with multidisciplinary teams to facilitate transitions of care, aiming for better overall health outcomes.
- Engaged in quality improvement initiatives designed to refine operational practices and elevate patient satisfaction levels.

#### Pharmacy Intern

University of Oregon 📅 September 2022 - May 2023 📍 Eugene, OR

Assisted pharmacists in day-to-day operations, augmenting practical experience in various pharmacy functions while meeting educational requirements.
