SUMMARY

Compassionate Pharmacist dedicated to optimal patient care with over 5 years of professional experience. Proven ability to manage medication regimens, monitor drug therapies, and communicate effectively with healthcare teams. Skilled in maintaining regulatory compliance while fostering a collaboratively safe pharmacy environment. Regularly train staff, offer guidance on pharmaceutical practices, and contribute to community health initiatives. Committed to enhancing drug safety through continuous education and improvement initiatives. Eager to join a team where patient outcomes are prioritized, and expertise can positively impact clinical operations.

EXPERIENCE

Pharmacist

HealthyPath Pharmacy  January 2022 - Present  Green Bay, WI

- Responsible for comprehensive pharmaceutical services, managing patient medication therapy, and collaborating closely with a diverse medical team to enhance patient care quality.
- Evaluated patient medication therapies, adjusting as necessary based on outcomes and consultations with medical staff.
 - Collaborated actively with healthcare professionals to share critical information on medications, ensuring optimal patient regimen.
 - Maintained extensive patient records in compliance with healthcare regulations and privacy standards.
 - Conducted medication therapy management sessions, fostering patient understanding of their treatments.
 - Established protocols for adverse drug reaction monitoring, improving overall patient safety and clinical reporting.
 - Led educational workshops for interns to instill best practices in dispensing medications and adhering to safety measures.

Pharmacist

CareWell Pharmacy  June 2018 - December 2021  Racine, WI

- Managed day-to-day pharmacy operation overseeing staff and inventory while ensuring medication accuracy, regulatory compliance, and proactive patient support.
- Reviewed prescriptions thoroughly for accuracy, interactions, and contraindications, prioritizing drug efficacy and patient safety.
 - Built strong relationships with healthcare providers, facilitating effective communication regarding patient treatments.
 - Initiated quality improvement programs that enhanced service delivery and notably increased patient satisfaction.
 - Participated in outreach efforts focusing on community wellness and promoting responsible medication use.
 - Regularly assessed medication handling procedures, ensuring adherence to health regulations and optimum product storage.
 - Provided supportive mentorship to junior staff, reinforcing education on pharmacy best practices.
