HealthWise Pharmacy
Hiring Manager
5821 W CENTRAL AVE
TOLEDO, OH 43615-1403, United States of America

Dear Hiring Manager,

I am thrilled to apply for the Pharmacy Pre-Grad Intern role at HealthWise Pharmacy. This opportunity resonates deeply with my growing passion for the pharmacy field, combining both my academic pursuits and practical experiences in ways that feel truly promising.

While collaborating on a recent university project, we simulated pharmacy operations, emphasizing service, safety, and compliance. I found immense satisfaction in developing pharmacy standards through this project, tackling challenges such as creating customer scenarios which directly empowered decision-making under high-pressure conditions.

My role as a Pharmacy Research Assistant allowed me to dive into medication adherence research, presenting findings in a symposium, which instilled confidence and strengthened my public speaking skills. I connected with various local pharmacies to understand their operational challenges, fostering a genuine desire to streamline customer interactions while ensuring ethical guidelines were followed.

Engaging in a hackathon, my team designed a pharmacy management app aimed at improving workflow efficiencies. Creating user interfaces and securing patient data not only demonstrated teamwork but also my drive towards innovative solutions for pharmacy practices. I truly believe these experiences have armed me with insights directly transferable to this role.

I am genuinely excited about HealthWise Pharmacy's commitment to excellence and service. Being part of an organization that respects individuals and nurtures collaboration aligns perfectly with my aspirations. I am eager to immerse myself and contribute meaningfully to a team that shares similar values.

Thank you for considering my application.

Sincerely,

Danna Powell
