SUMMARY

Compassionate and dedicated Physical Therapist Assistant with over two years of experience in rehabilitative care. Trained in implementing effective treatment strategies, ensuring patients receive personalized therapies aligned with their needs. Proven ability to engage meaningfully with patients while collaborating closely with healthcare teams. Proficient in documentation practices that support accurate medical records and billing processes. Committed to ongoing professional development and advocacy for physical therapy within the community. Motivated to enhance patient outcomes through evidence-based approaches and compassionate support.

EXPERIENCE

Physical Therapist Assistant

Wellness Health 📅 June 2025 - Present 📍 Rapid City, SD

Provide patient-focused therapeutic services under the direction of licensed physical therapists. Collaborate with interdisciplinary teams to enhance operational efficiency in the Physical Therapy Department, applying clinical knowledge to support patient recovery. Train and supervise students and junior staff, fostering a collaborative atmosphere for learning and growth.

- Implemented tailored treatment plans alongside physical therapists, leading to improved patient rehabilitation outcomes.
- Maintained thorough documentation of patient progress, aligning with federal and state standards to support continuity of care.
- Coordinated patient care across multiple sites, ensuring equitable access to services for various populations.
- Engaged continuously in professional education to uphold licensure requirements and investigate new techniques.
- Trained incoming staff and interns on state regulations and departmental protocols, promoting compliance and safety.
- Developed resources supporting patient education on treatment methodologies and discharge instructions.

Physical Therapy Aide

HealthFirst Rehabilitation 📅 January 2024 - May 2025 📍 Rapid City, SD

Supported daily operations of the physical therapy clinic by preparing the treatment environment and assisting therapists during sessions. Focused on maintaining patient-centered care through encouragement and mobility assistance.

- Facilitated a seamless patient experience by preparing treatment areas and ensuring timely readiness for therapy sessions.
- Documented essential information for billing accuracy and regulatory compliance, enhancing overall department operations.
- Assisted therapists in developing patient care plans, incorporating individual goals to track progress effectively.
- Provided empathetic support to patients, helping them stay motivated throughout their rehabilitation processes.
- Conducted safety checks on equipment to maintain an optimal environment for patient healing.
- Participated in community outreach initiatives, raising awareness about physical therapy benefits and injury prevention.
