HealthWise Therapy
Hiring Manager
Boston, MA
02115

Dear Hiring Manager,

I am excited to apply for the Physical Therapist role at HealthWise Therapy because this position speaks directly to my fervor for patient-centered care while allowing me to grow my emerging skills in a supportive environment.

HealthWise's commitment to mentorship and professional development aligns with my ambition to excel in physical therapy, ensuring my focus remains on patient wellbeing and improving their lives through specialized care.

During my internship at HealthQuest Therapy, I quickly learned the intricacies of developing treatment plans and collaborating with a dedicated team, which enhanced my clinical reasoning and provided great satisfaction as I witnessed positive outcomes.

Engaging with patients intensively, I documented progress using electronic health records, while developing educational materials that not only informed but also empowered individuals seeking rehabilitation.

I strive for continuous learning, having recently presented best practices on rehabilitation techniques, and I am eager to contribute that knowledge towards HealthWise's innovative objectives in physical therapy.

Thank you for considering my application.

Sincerely,

Ewa Larson
