EXPERIENCE

- Physical Therapy Intern**
- HealthQuest Therapy  June 2025 - Present  Cambridge, MA
- Supportive role involving patient evaluations and crafting treatment plans alongside expert clinicians. Utilize electronic health records to convey accurate patient data, streamlining communication with medical teams. Emphasize hands-on application of therapeutic methods to promote patient recovery and engagement.
- Engaged in physical assessments that informed individualized recovery strategies.
 - Collaborated seamlessly with a multidisciplinary team to meet patient goals.
 - Documented patient progress using electronic health record systems effectively.
 - Implemented beneficial therapeutic exercises aimed at restorative outcomes.
 - Participated in weekly case discussions reinforcing clinical reasoning.
 - Contributed towards crafting educational resources promoting wellness.
- Student Physical Therapist**
- Wellness Center University  January 2025 - May 2025  Boston, MA
- Active collaborator delivering direct patient care in sports rehabilitation settings under supervision, focusing on injury prevention and recovery processes. Gained adaptability and insights into clinical best practices through real-world experiences.
- Delivered sports rehabilitation interventions in an educational clinic environment.
 - Applied advanced manual therapies to facilitate improved patient outcomes.
 - Designed injury prevention programs contributing towards enhanced overall health.
 - Conducted ongoing outcome assessments ensuring alignment with recovery pathways.
