STRENGTHS

- ♥ **Patient-Centered Care**
Established strong rapport with patients, prioritizing comfort and clear communication. Gained executive confidence during evaluations.
- 🗣 **Effective Communication**
Articulated complex information succinctly, enabling successful interdisciplinary team discussions. Peers often sought guidance on intricate cases.
- 🔄 **Adaptability**
Thrived in dynamic environments, effortlessly adjusting approaches as patient needs evolved. Friends frequently commented on quick-thinking abilities.
- 👥 **Team Collaboration**
Worked seamlessly with peers across departments, navigating differing opinions confidently. Frequently recognized for contributions to improved teamwork.
- ⚠ **Crisis Management**
Responded decisively in emergency scenarios, ensuring patient safety remained paramount. Often appreciated for maintaining calm under pressure.

SUMMARY

Dedicated Nurse Practitioner with comprehensive training and hands-on experience in surgical assistance and outpatient care. Proficient in performing patient evaluations, conducting diagnostic tests, and collaborating with multidisciplinary teams to deliver optimal patient outcomes. Demonstrated ability to manage and coordinate patient care plans effectively within clinical settings. Committed to professional growth and excellence in patient services. Enjoys working in both OR and outpatient environments while ensuring high-quality care and adherence to protocols. Eager to bring skills and compassion to expand Health First Care services.

EXPERIENCE

Nurse Practitioner Intern

University Research Lab 📅 June 2025 - Present 📍 Ashland, OR

Supported surgical procedures and patient care management in a fast-paced clinic setting. Collaborated with medical professionals and assisted with over 30 successful operations. Conducted thorough patient assessments and monitored their progress closely to ensure optimal outcomes.

- Assisted in surgical procedures under supervision, contributing to over 30 successful operations.
- Conducted comprehensive patient evaluations while documenting findings in electronic records.
- Collaborated with healthcare teams to develop personalized care plans, enhancing satisfaction scores.
- Initiated diagnostic testing, providing timely communication of results to aid decision-making.
- Participated in case reviews, presenting findings to improve practices and strategies.
- Educated patients on health management and recovery pathways, fostering engagement.

Clinical Assistant

Southern Oregon Health Solutions 📅 September 2024 - May 2025 📍 Medford, OR

Contributed to the operational efficiency of a busy clinic by streamlining processes. Worked alongside nurses and physicians, facilitating exceptional patient service through effective coordination.

- Supported clinic operations, ensuring efficient workflow and compliance with safety standards.
- Assisted patients before examinations, boosting clinic efficiency by streamlining processes.
- Coordinated appointments and managed patient records, improving access to care services.
- Conducted follow-up communications, achieving a 90% satisfaction rate in securing feedback.
- Administered BLS and first aid during emergencies, responding effectively to varying needs.
- Led educational sessions about preventive care, increasing patient awareness and compliance.
