SUMMARY

Results-driven Product Manager with over 10 years of experience leading operational change and project delivery across diverse sectors. Proven track record in managing large-scale initiatives and driving process innovation using agile methodologies. Adept at building strong relationships with stakeholders to ensure project success and alignment with business objectives. Known for fostering collaboration between teams and clients, coupled with a commitment to enhancing product delivery effectiveness, resulting in sustainable business growth. Eager to bring extensive expertise to Creative Tech Solutions and drive successful outcomes through innovative technological solutions.

EXPERIENCE

Product Delivery Manager

Dynamic Solutions Group 📅 February 2018 - Present 📍 Naperville, IL

Direct product delivery operations for various client needs, ensuring seamless alignment with strategic goals. Champion processes that enhance efficiency across functional teams, enabling stand-out deliverables within deadlines while meeting budget constraints.

- Oversee product delivery initiatives, ensuring alignment with client expectations and project goals.
- Manage cross-functional teams to deliver complex projects on time and within budget.
- Develop and maintain strategic relationships with key stakeholders, enhancing collaboration and communication.
- Implement improvements that drive team performance and product outcomes.

Senior Project Manager

Innovatech Services 📅 January 2014 - January 2018 📍 Aurora, IL

Led projects designed to implement operational changes for logistics clients. Cultivated innovation to tackle challenges in execution by embracing agile techniques, effectively redefining project pathways and surpassing client satisfaction metrics.

- Led multiple project teams in delivering high-impact operational change initiatives for clients in the logistics sector.
- Implemented agile methodologies to improve project efficiency and team performance.
- Conducted risk assessments and developed mitigation strategies to ensure project success.
- Coordinated activities between departments, simplifying the path from concept through completion.

Project Manager

TechWave Solutions 📅 July 2011 - December 2013 📍 Chicago, IL

Executed a diverse portfolio of technology initiatives, anchoring effective stakeholder engagement efforts for continuous improvement. Created environments ripe for brainstorming, leading to next-generation innovations through collective insights and long-dormant ideas.

- Managed the end-to-end project lifecycle for various technology-driven initiatives.
- Collaborated with product teams to develop innovative solutions that meet client needs.
- Facilitated stakeholder meetings to report on project status and gather feedback.
- Optimized resource allocation to maximize productivity within timeline constraints.

LEADERSHIP & AWARDS

- Recognized for excellence in project management leading to increased client satisfaction scores.
- Awarded 'Employee of the Year' in 2020 for exceptional contribution to operational efficiency.
