STRENGTHS

- 👥 **Program Leadership**
Led two service units through competing priorities, and staff looked to clear decisions when implementation pressure increased.
- ✅ **Funding Compliance**
Turned federal, state, and local requirements into usable controls. A practical checklist often prevented late reporting surprises.
- ♥️ **Community Service**
Supported households facing housing instability, disability, or homelessness. Listening closely helped partners shape workable referrals.
- 👤 **Staff Supervision**
Used workload planning and coaching during difficult cases, giving professional staff room to decide with accountability.
- 🔗 **Partner Coordination**
Connected providers, agencies, and fiscal teams around shared deliverables. Follow up became clearer after commitments were documented.

SUMMARY

Public sector program manager with 10 years of experience developing and implementing housing, human services, and community **programs**. Leads two housing and supportive services units serving low income households, **people experiencing homelessness**, seniors, and **people with disabilities**. Converts federal, state, and local funding requirements into operating procedures, staff priorities, review controls, documentation standards, and measurable implementation plans. Supervises professional staff with limited oversight, coordinates nonprofit and public partners, and manages visible special projects from planning through delivery. Brings practical judgment in affordable housing operations, compliance, **strategic planning**, fiscal coordination, community engagement, and executive communication. Regularly presents program status, risks, and recommendations to leadership and stakeholders, including evening meetings. Prepared to contribute disciplined program leadership, compassionate service coordination, and accountable public administration judgment in a housing services environment.
